ANTI - OVERLOADING

The enforcement of the restriction on truck gross vehicle weight (GVW) limits starting May 1, 2011 as earlier announced by the Department of Public Works and Highways (DPWH) is indefinitely deferred until further notice. The DPWH is working out arrangements with the Philippine Ports Authority (PPA), Department of Trade and Industry (DTI) and other stakeholders in the synchronization of the weighing operations and the finalization of revised GVW limits for each truck/trailer type.

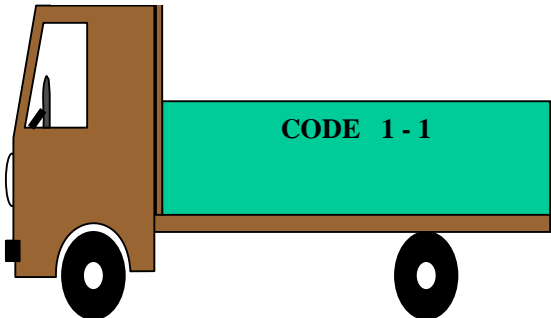

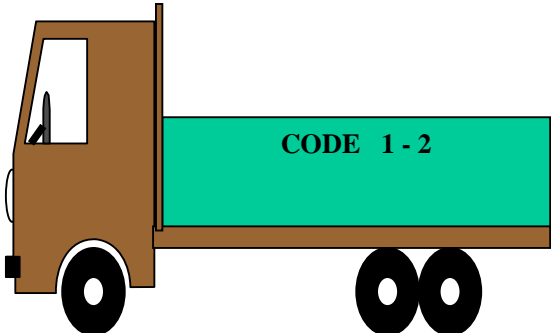

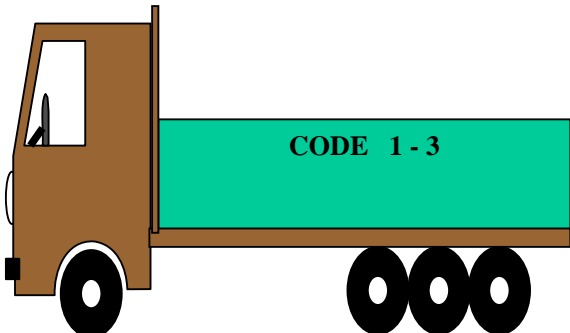

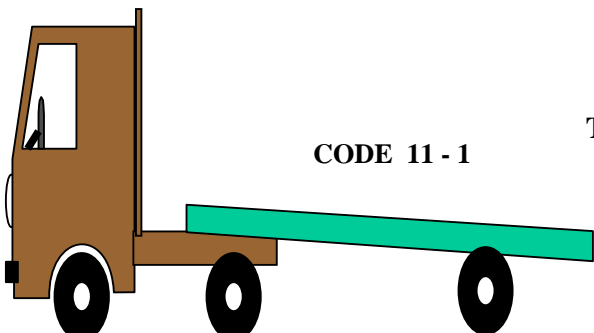

However, the restriction on the allowable vehicle axle load of 13,500 kilograms shall be continuously enforced.
