NBCDO MEMORANDUM

CIRCULAR No. 01)
Series of 2016 Apr. 04.16)
X-----X

**SUBJECT: THE PHILIPPINE GREEN BUILDING
CODE**

**TO : All Building Officials
City / Municipal Engineers and Others concerned**

In order to improve the efficiency of building performance through a framework of acceptable set of standards that will enhance sound environmental and resource management that will counter the harmful gases responsible for the adverse effects of climate change, throughout the building's life cycle including efficient use of resources, site selection, planning, design, construction, use, occupancy, operation and maintenance, without the significant increase in cost, the provisions set forth in the PHILIPPINE GREEN BUILDING CODE ("GB Code") approved by DPWH shall be strictly implemented. Having complied with the activities set forth by the Cooperation Agreement between the DPWH and the World Bank and the adoption of Sustainable Building Regulations, it is hereby directed that the GB Code shall form part of the IRR of the National Building Code of the Philippines (P.D. 1096) and be enforced immediately.

All Building Officials must submit to the undersigned a quarterly report, Attention: The National Building Code Development Office (NBCDO), for monitoring of compliance to the said Philippine Green Building Code.

For strict and immediate compliance of all concerned.
