

81-3

Republic of the Philippines
MINISTRY OF PUBLIC WORKS
MPW Building Bonifacio Drive, Port Area, Manila
OFFICE OF THE MINISTER

09 January 1981

Ministry Order Subject: Inventory of Properties, Buildings
No. 81-3 and Equipment of the Mariveles
Quarry.

In compliance with the approved order of the President for the transfer of the Quarry at Mariveles, Bataan to BASECO, a committee is hereby created to undertake the inventory of properties, buildings and equipment presently assigned at the Quarry & Milling Services compound and Quarry site at Mariveles, Bataan.

The committee shall be composed of the following:

1. Cesar R. Villarin, Quarrying & Milling Superintendent-Chairman
2. Carlos de Leon, Supervising Mechanical/Electrical Engineer - Member
3. Oscar Samaniego, Chief Civil Engineer - Member
4. Alejandro Sunglo, Senior Mechanical Engr. - Member
5. BASECO Representative - Member
6. BASECO Representative - Member
7. BASECO Representative - Member
8. COA Representative - Member

The purpose of the inventory is to determine the number, condition and value of the properties, buildings and pieces of equipment presently obtaining at the quarry site for purposes of determining total costs.

A report of the inventory shall be jointly submitted to the Minister of Public Works and it shall be the basis in negotiating the reasonable price of the quarry properties to be purchased by BASECO from the government.

Strict compliance is hereby enjoined.

Alfredo L. Juina
