DEPARTMENT ORDER)

NO. **14**

Series of 1999

SUBJECT: Adoption of DPWH Standard Specifications for Public Works and Highways 1995 Edition: Volume II - Highways, Bridges and Airports in the Implementation of all Infrastructure Projects.

It has been observed that some consultants are using specifications other than the DPWH Standard Specifications for Highways, Bridges and Airports, Volume II, 1995 Edition, in the implementation of some infrastructure projects, which is not in accordance with Department Order No. 169, Series of 1997.

In order to forestall problems arising from using specifications other than those prescribed by this Department, all heads of implementing offices and others concerned are hereby directed to submit all specifications proposed by Consultants for use in DPWH projects to this Office thru the Bureau of Research and Standards for review, evaluation and approval prior to adoption.

For strict compliance.

This Order shall take effect immediately.
