[illegible]

TO : ROSALIO A. MALLONGA  
Asst. Secretary for Operations

LIGAYA P. JORGE  
Asst. Sec. for Personnel  
Management and Development

CASTOR S. SURLA IV  
Director, Bureau of Buildings

The "Building Research and Development Staff" (BRDS) organized pursuant to Memorandum Order 77-1 to serve as the Technical Staff of the Secretary (now Minister) in the administration and enforcement of the provisions of the National Building Code and was elevated into a regular service of this Ministry under Executive Order No. 546 is hereby re-structured as follows:

The enforcement of the provisions of the National Building Code shall be one of the functions of the present Assistant Secretary for Operations. He shall head a staff, the primary function of which is to administer and enforce the provisions of the National Building Code, to resolve for approval of the Minister cases elevated to this Ministry regarding the provisions of the National Building Code, to formulate implementing rules and regulations of the Code and such other matters pertinent to the smooth administration and enforcement of same through the respective building officials throughout the country.

The Building Systems Research Division and the Materials Testing and Physical Research Division, two divisions attached to the BRDS under the present reorganization, shall be integrated with the Bureau of Buildings to give more relevance to research needs and their practical and immediate application to building construction.

4145

The following personnel shall compose the National Building Code Technical Staff to be headed by the Assistant Secretary for Operations to administer and enforce the National Building Code.
