REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS
OFFICE OF THE SECRETARY
MANILA

02 July 1987

DEPARTMENT ORDER
NO. 23
SERIES OF 1987

SUBJECT: Creation of a Coordinating Committee To
Study The Applications of Fly Ash (N.P.C.)
As An Admixture of Concrete.

An ad hoc committee to study the applications of Fly Ash, a by product of burning coal in NPC's Calaca Power Plant in Batangas, as an admixture of concrete, is hereby created and composed of the following:

- Director, Bureau of Materials and Quality Control, DPWH - Chairman
- Representative, Bureau of Design, DPWH - Member
- Representative, Bureau of Maintenance, DPWH - Member
- Representative, Engineering Development Corporation
of the Philippines - Member
- Representative, University of the Philippines,
National Engineering Center - Member
- Representative, Region IV-A, DPWH - Member

The ad hoc committee shall undertake the following tasks:

- 1) Conduct literature survey on fly ash.
- 2) Evaluate the result of studies done by other agencies on the physical and chemical properties of fly ash.
- 3) Conduct confirmatory tests on the physical and chemical properties of fly ash.
- 4) Make an inter-agency cooperative effort for the demonstration and application of fly ash (Pilot project).
- 5) Coordinate with the NPC on the disposal and utilization of fly ash.
- 6) Monitor the performance of the pilot project.

The ad hoc committee shall submit timetable for the study and a report & recommendations to the Secretary as per that timetable.

This Order shall take effect immediately.

VICENTE R. JAYME
