Department Order
No. 32
Series of 1987

SUBJECT: Creation of Metro-Manila Flood Control
Master Plan Study Steering Committee.

To ensure the effective and coordinated undertaking of the forthcoming Metro-Manila Flood Control Master Plan Study, to be assisted by the Japan International Cooperation Agency, a Metro-Manila Flood Control Master Plan Study Steering Committee is hereby created with the following composition:

TEODORO T. ENCARNACION Undersecretary, DPWH	- Chairman
MANUEL M. BONOAN Asst. Secretary, DPWH	- Member
EUGENIO D. MANALO DPWH, Regional Director, NCR	- Member
JESUS M. SUNGA Director, Infrastructure Staff	- Member (by invitation)
DR. ROMAN L. KINTANAR Administrator, Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)	- Member (by invitation)
NATHENIEL VON EINSENDEL Commissioner for Planning, MMC	- Member (by invitation)
GEN. MGR. CONRADO A. LIMCAOCO Laguna Lake Development Authority	- Member

The main functions of the Steering Committee are the formulation and coordination of operational policies and guidelines on Flood Control and Urban Drainage Master Plan, the provision of the required technical and administrative support in the conduct of the study; and the review of and recommendation on the findings in the progress and final reports of the study.

To assist the Steering Committee, a Technical Working Group shall be created composed of Technical Staff within the DPWH and participating agencies. Each cooperating agency shall assign at least a senior technical representative to the Technical Working Group.

VICENTE R. JAYME
Secretary
