NO. 42)
Series of 2021 *fmf* 5/28/2021

**SUBJECT: DPWH Standard Specifications for
Public Works Structures (Buildings,
Ports and Harbors, Flood Control and
Drainage Structures and Water
Supply Systems), Volume III, 2019
Edition**

In line with the mandate of the Department of providing effective standard specifications to be used in the implementation of various infrastructure projects and in view of the need of setting standard specifications for construction materials, it is hereby directed that henceforth the DPWH Standard Specifications for Public Works Structures (Buildings, Ports and Harbors, Flood Control and Drainage Structures and Water Supply Systems), Volume III, 2019 Edition shall be adopted in the implementation of all DPWH infrastructure projects of said categories, except for projects which have already been advertised for bids and for which specifications other than the above standards have been adopted.

This Order shall take effect immediately.

MARK A. VILLAR
