DEPARTMENT ORDER
No. 44
Series of 1975
x - - x - - x - -

SUBJECT: Creation of Two (2) Highway Engineering Districts in the Province of Palawan.

In order to achieve more effectively the maintenance of roads and bridges and to undertake extensively the construction of highway projects in the province of Palawan, considering the extent of its land area and the length of national roads, the lone engineering district of the said province is hereby divided into two (2) Highway Engineering Districts and be known as Palawan First Highway Engineering District and Palawan Second Highway Engineering District and shall have jurisdiction over all municipalities as herein below indicated.

I. Palawan First Highway Engineering District with headquarters at Puerto Princesa City shall have jurisdiction over all national roads and bridges within the following municipalities:

- | | |
|-------------|-------------------|
| 1. Aborlan | 4. Brooke's Point |
| 2. Balabac | 5. Narra |
| 3. Batarasa | 6. Quezon |

II. Palawan Second Highway Engineering District with headquarters at Roxas, Palawan, shall have jurisdiction over all national roads and bridges within the following municipalities:

- | | |
|-----------------|-----------------|
| 1. Agutaya | 8. El Nido |
| 2. Araceli | 9. Linacapan |
| 3. Busuanga | 10. Magsaysay |
| 4. Cagayancillo | 11. Roxas |
| 5. Coron | 12. Taytay |
| 6. Cuyo | 13. San Vicente |
| 7. Dumaran | |

The present personnel, office equipment and construction equipment of the existing lone highway engineering district shall be divided equally between the two (2) new districts. Each district shall submit its proposed organization set-up and Staffing Pattern for approval of this Office.

This Department Order shall take effect immediately.
