October 3, 1986

Ministry Order
No. **44**
Series of 1986

Pursuant to the approved MPWH Calamities and Disaster Preparedness and Control Plan, the Office of the Director, Bureau of Maintenance is hereby designated as the Ministry OPERATIONS CENTER (OC) for disaster operations. Therefore, henceforth during calamities, this Office (Tel. Nos. 49-79-31 and 40-83-71 loc. 211) shall be manned twenty four (24) hours daily in three (3) shifts for the purpose of:

1. Receiving situational reports from stricken areas through fastest means of communication (telephone, telex, radiophone, courier, etc.)
2. Receiving requests for disaster related assistance from the NDCC or other government agencies, including field agencies of MPWH.
3. Transmitting orders, directives, instructions of MPWH NDCB to field (Regional, District and City) Disaster Coordinating Bodies.
4. Coordinate with MPWH Public Affairs Office for the dissemination of relevant disaster related information to Media.

For the information and guidance of all concerned enclosed herewith are the following schedules, viz:

- a. Schedule of BOM personnel assigned to man the Operations Center during calamities
- b. Schedule of BOE personnel - equipment including BOC personnel involved in Rescue and Operations activities.
