Materials Engineer **Crisleo M. Mañgampo** who was previously accredited as Materials Engineer I obtained the required score for classification as Materials Engineer II in the accreditation examination held on March 9, 2013 and is hereby upgraded in rank as ME II.

In view of their accreditation, the above-named accredited materials engineers may be assigned to DPWH projects, subject to the following limits of assignment as spelled out under Department Order No. 55, Series of 2012.

| <u>Classification</u> | <u>Limits of Assignment</u>                                                                                                                   |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Materials Engineer II | One project, no cost limit or<br>Two projects located within the same province with an aggregate cost of not more than P100 M.                |
| Materials Engineer I  | One project costing not more than P100 M or<br>Three projects located within the same province with an aggregate cost of not more than P20 M. |

A Certificate of Accreditation and an Identification Card bearing a Permanent Accreditation Number shall be issued to each accredited engineer.
