DEPARTMENT ORDER)
NO. 58)
SERIES OF 2006)
11-28-06

SUBJECT: Color Scheme for the Kilometer Posts and the Road Right-of-Way Boundary Markers

It has been observed that majority of the existing Kilometer Posts and the Road Right-of-Way Boundary Markers along national roads nationwide are hardly noticeable especially during night time. Some of them are already dilapidated or the paints have faded due to prolonged exposure to elements necessitating the need for the repainting of the same to enhance their visibility and to enable them to function effectively as a permanent Locational Reference Points.

In this regard and in order to set a standard color scheme for both the above-mentioned roadside features, it is hereby prescribed that all District Engineering Offices must adopt the same **"Black Lettering on Yellow background"** as the DPWH standard color scheme for the Kilometer Posts and the Road Right-of-Way Boundary Markers.

Funds to cover the expenditures related to this activity shall come from the annual maintenance allocation for routine maintenance activities for carriageway and roadside.

For compliance.

HERMOGENES E. EBDANE, JR.
Acting Secretary
