DEPARTMENT ORDER )  
NO. 63 )  
Series of 2012 <sup>09-17-12</sup> )  
SUBJECT: Amending the Amount  
Involved as Basis in the  
Conduct of Procurement for  
Locally-Funded Projects  
under Department Order  
No. 20, Series of 2011.

Department Order No. 20, series of 2011, clarifies that the amounts of projects for all the activities, including the conduct of public bidding mentioned in Department Order No. 54, series of 2011, refers to the allocation under the General Appropriations Act (GAA), and not the estimated project cost or the Approved Budget for the Contract (ABC).

In order to further delegate to the District and Regional Offices the authority to procure projects, D.O. No. 20, series of 2011 is hereby amended making the actual amount of the Approved Budget for the Contract (ABC) as basis for the conduct of public bidding. Likewise, the same amount shall be the basis for the limit of authority of the Implementing Offices in the implementation of Infrastructure Projects.

However, it is clarified that this Order does not amend the existing authorized limits of up to Php50M and above Php50M up to Php150M, given to the District and Regional Offices, respectively, in as far as the limits of authorities of concerned DPWH offices and officials in the conduct of pre-procurement, procurement and implementation of activities for DPWH locally-funded civil works projects, per D.O. No. 54, series of 2011.

This Order supersedes other previous issuances to the contrary and shall take effect immediately.
