DEPARTMENT ORDER)

NO. 67)

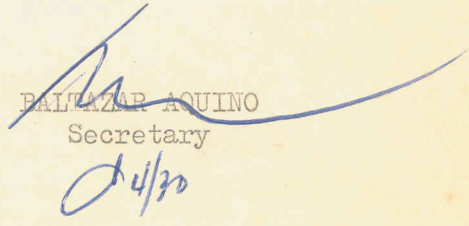

Series of 1976)

x - - - - -)

SUBJECT: Revocation of Department
Order No. 63 dated
February 13, 1976

Considering that the DPH Technical Library has been established to provide all organizational units of the Department with technical reference materials, and that the funds intended for the purchase of library materials have been allocated to the Administrative Service, it is more appropriate and proper that the said Library be placed under the General Services Division of the Administrative Service. This being the case, Administrative Order No. 63 dated February 13, 1976, which previously transferred the Technical Library from the General Services Division of the Administrative Service to the Public Relations Office under the Office of the Secretary, is hereby revoked, and the Technical Library shall continue to be a unit under the General Services Division of the Administrative Service.

This Order shall take effect immediately.
