DEPARTMENT ORDER)

SUBJECT: Creation of a Department
Legislative Staff

NO. 77

Series of 1976)

X - - - - -

In view of the creation of a Legislative Advisory Council known as the Batasang Bayan, wherein all Cabinet Secretaries are members, there is an urgent need to create a Legislative Staff in this Department to study, review and evaluate legislative proposals coming from the different city, district, and regional offices under the Department, pertaining to the functions of their respective offices or functions of the Department in general, as well as legislative proposals pertaining to highways coming from private sectors.

There is, therefore, created a Legislative Staff directly under the Secretary to be composed of the following:

1. Undersecretary
2. Asst. Secretary for Operation
3. Asst. Secretary for Administration
4. Director Planning and Projects Development Office
5. Director Legal Service
6. Director Bureau of Construction & Maintenance
7. Director Bureau of Equipment
8. Director Bureau of Barangay Roads

Aside from the above-mentioned functions, the Department Legislative Staff may also be availed of and called upon to assist the Committee on Public Highways of the Batasang Bayan to study and evaluate all resolutions or proposed decrees that may be submitted to this Committee for consideration.

This Order will take effect immediately.
