DEPARTMENT ORDER )

No. 82 )

Series of 2021 )

by 09/29/2021

**SUBJECT: Deferment of the Implementation of the Accreditation of the Contractors' and Consultant Project Engineers**

Due to the alarming increase in the number of COVID-19 cases and emergence of new and more transmissible Coronavirus variants causing the government to impose quarantine restrictions, the Department was not able to conduct accreditation examinations for Contractors' and Consultants' Project Engineers. The holding of accreditation examinations was discontinued since last year pending approval by the Inter- Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) of the Department's Interim Guidelines on the Conduct of the Accreditation Examination for Contractors' and Consultants' Project Engineers Observing the Minimum Health/Safety Protocols Due to COVID-19 Pandemic.

Hence, the implementation of the accreditation thru Department Order No. 94, series of 2020 is hereby deferred indefinitely until further notice.

However, applications together with the accreditation requirements stipulated under Section 4.2 of D.O 94, series of 2020 of engineers who passed previous examinations shall be continuously evaluated and processed at Bureau of Quality and Safety.

This order shall take effect immediately and shall supersede pertinent provisions of other issuances inconsistent hereto.

For strict compliance.
