

Republic of the Philippines
Department of Public Highways
OFFICE OF THE SECRETARY
M a n i l a

November 4, 1976

DEPARTMENT ORDER NO. 86

TO: All Heads of Bureaus, Regional Offices, Equipment Depots, District/City Offices, Area Shops and Department Proper Services

Pursuant to Letter of Instruction No. 328 dated October 27, 1975 and the continuing government campaign by moral suasion to conserve and efficiently utilize energy fuel and minimize consumption and in compliance with the recent presidential warning that the price increase contemplated by OPEC countries can worsen the present energy crisis and constrain adoption of fuel rationing, all officials and employees of this Department are directed to closely observe and follow the conservation guidelines set by the Philippine National Oil Company, Energy Conservation Commission, Energy Development Board and this Department.

It is also directed that where there is none, office heads designate immediately their respective Energy Conservation Officer who shall oversee strict enforcement of the conservation guidelines, propose relevant stringent measures, apprehend violators for possible administrative action and submit, thru this Department, monthly reports required by any of the aforecited energy offices.

For pertinent information, all concerned are referred to DPH Memorandum dated November 5 and 7, 1975, Department Orders No. 59 and 190 dated November 25, 1975 and December 15, 1975 respectively, and Memorandum Circulars Nos. 108 and 120 dated August 27, 1976 and October 20, 1976 respectively.

Strict compliance is enjoined.

OSCAR RODRIGUEZ
ACTING SECRETARY
11/8/76
