SUBJECT : CREATION OF THE QUALITY
ASSURANCE UNIT - REGIONAL OFFICE

In order to support the project assessment activities of the DPWH Central Office Quality Assurance Units and to facilitate the implementation of the Quality Assurance program in the Region, Quality Assurance Units are hereby created in the Regional office (QAU - RO) to perform project assessment on the quality of construction and compliance with plans and specifications of both on-going and completed projects within the region.

The QAU-RO shall be composed of engineers from the Planning and Design Division, Maintenance Division and the Materials Quality Control and Hydrology Division of every Regional Office who will undergo QAU training at the Central Office. They shall be reporting directly to the Regional Director thru a Technical Committee composed of the Assistant Regional Director for Services as Chairman and the respective Division Chief of the said divisions as members. The QAU-RO Technical Committee shall submit to the office of the Secretary monthly assessment reports of the QAU-RO, for information and evaluation.

The operations of the QAU-RO shall be in accordance with the attached Guidelines for Undertaking project Assessment.

For strict compliance.
