

Republic of the Philippines
MINISTRY OF PUBLIC WORKS
 NIA Building, E. de los Santos Ave., Quezon City
OFFICE of the MINISTER

August 15, 1979

MINISTRY ORDER) SUBJECT: TECHNICAL SUPERVISION OVER THE
) PROGRAMS, PROJECTS AND ACTIVITIES
NO. 79-10) OF THE HYDROLOGY SECTION, WATER
) RESOURCES SURVEY DIVISION OF THE
) FORMER BUREAU OF PUBLIC WORKS AND
X-X-X-X-X-X-X-X) THE TASK FORCE ON RURAL WATER SUPPLY.

In accordance with Executive Order No. 546, the Executive Director of the National Water Resources Council is hereby directed to exercise technical supervision, effective September 1, 1979, over the programs, projects and activities of the Hydrology Section, Water Resources Survey Division of the former Bureau of Public Works, except for the water and soils laboratory units which shall be supervised by the Officer-in-Charge of the Bureau of Water Supply (BWS). Correspondingly, the Officer-in-charge of the BWS is hereby directed to coordinate with the Chairman of the Task Force on Rural Water Supply to expedite the smooth transfer of applicable functions.

In the meantime, however, the Hydrology Section and the Task Force shall remain in their present location; their personnel shall retain their present positions and receive their salaries per current budget, and shall continue to receive the usual logistical support from the Ministry of Public Works and the NWRC respectively.

This arrangement shall continue until the staffing pattern and personnel placement of both the MPW and NWRC units concerned are approved and effected or until further orders. The target date for complete turnover of the functions pertaining to hydrology and rural water supply, together with applicable personnel, facilities and appropriation is December 31, 1979.

ALFREDO L. JUINIO
Minister
