SPECIAL ORDER )  
No. 140 )  
Series 2009 )  
10-20-09

SUBJECT : CREATION OF STEERING COMMITTEE AND TECHNICAL WORKING GROUP TO PREPARE SHORT LIST OF PROJECTS RELATIVE TO WORLD BANK'S COUNTRY ASSISTANCE STRATEGY FOR URBAN TRANSPORT IN METRO MANILA AND OTHER CITIES

In line with the forthcoming World Bank Country Assistance Strategy for the Philippines, a Steering Committee and Technical Working Group are hereby created to prepare short list of projects for possible inclusion under the proposed loan :

**1. Composition of Steering Committee (SC) and Technical Working Group (TWG)**

**1.1 The Steering Committee shall be composed of the following:**

Chairperson : Assistant Secretary MARIA E. CATALINA CABRAL, Ph.D.,  
Planning Service  
Vice Chairperson : Project Director VIRGILIO C. CASTILLO, URPO-PMO  
Members : Project Director, FAUSTINO N. STA. MARIA, JR., FS-PMO  
Director GILBERTO S. REYES, BOD  
Project Director BIENVENIDA A. FIRMALINO, BOT-PMO  
Regional Director, EDILBERTO D. TAYAO, NCR  
Project Manager GERONIMO ALONZO, Office of U'sec. Momo

**1.2 Composition of the Technical Working Group**

Chairperson : Engr. RITO B. BADILLO, OIC-Div. Chief, PPROW, URPO-PMO  
Vice Chairperson : Engr. CAROL S. CANUEL, PPD Planning Service  
Members : Mr. CARMELINO J.C. TIZON, FS-PMO  
Engr. DANILO L. BALISI, BOD  
Engr. FLORENCIO REY M. ALANO, BOT-PMO  
Engr. LYDIA G. CHUA, NCR

**2. FUNCTIONS OF THE STEERING COMMITTEE**

- 2.1 The Committee shall review the recommendation of the Technical working Group as to the list of projects.
- 2.2 The Committee shall submit to the Secretary the result of the review and to other agencies concerned.

**3. FUNCTIONS OF THE TECHNICAL WORKING GROUP**

- 3.1 The TWG shall review existing feasibility studies and detailed engineering designs within Metro Manila and other cities which are not yet implemented.
- 3.2 The TWG shall identify from the studies and designs the order of priorities considering the World Bank's Objective of identifying needs and investment priorities in order to enhance productivity and efficient public transport modes to further promote mobility and access.
- 3.3 In the absence of previous studies, the TWG may identify and recommend possible cities that highly demand transport improvement due to rapid growth and urbanization.

**4. EFFECTIVITY**

- 4.1 This Order shall take effect immediately.

HERMOGENES E. ERDANA, JR.  
Secretary
