SUBJECT: Deferment of the Assignment of Accredited Contractors'/Consultants' Project Engineers to DPWH Projects

Due to the low turnout of applications for the Accreditation of Contractors' and Consultants' Project Engineers from engineers who passed the examination and to provide more time for applicants to comply with the requirements of the said accreditation, the implementation of Department Order No. 94, Series of 2020, Section 3.0, *re: Assignment of Contractors'/Consultants' Project Engineers to DPWH Projects*, is hereby deferred until June 30, 2024.

In order to effectively implement the said accreditation, engineers who previously passed the accreditation examination shall be given six (6) months from the release of this Order to submit their applications to the Bureau of Quality and Safety (BQS), this Department. Further, results for succeeding examinations shall be valid only for a period of one (1) year from the date of release of report of rating.
