Name of Equipment: INTERACTIVE TOUCH SCREEN WITH OPS

Description: For interactive display with Open-Pluggable Slot (OPS) for presentation and meeting

Other Requirements:

Brand and Model: Must be an International Brand Name with existence of at least ten (10) years in the Philippines. Unit model must be in current catalog and not end-of life.

Components: All components must be the same brand as the Interactive Touch Screen (except the UPS) and factory installed and new. The Supplier is not allowed to change or add any components to the equipment.

Regulatory: ENERGY STAR certified (with Energy Star Stamp). For Interactive Touch Screen that do not carry an ENERGY STAR label, an appropriate means of proof of Energy consumption levels shall be submitted such as technical dossier of the manufacturer or a test report from a recognized body to demonstrate compliance to this requirement.

Documentation and Media: The equipment shall be supplied with the standard manufacturer documentation, on any electronic storage media and hard copy version where available.

Warranty and Maintenance: The Supplier is required to provide a 1-year warranty on all parts and associated software and onsite labor from the date of the Inspection and Acceptance Report (IAR).

Technical Support: The local technical support through telephone and email, 8 hours per day (8:00am - 5:00pm), 5 days a week (Monday - Friday) for problem resolution. Support shall have a response time of next business day.

Additional Notes:

The technical specification for UPS (for workstation) shall be attached.
