**Justifications provided by the requesting Implementing Office:**

1. Change in type of work from Road Safety: Pavement Markings to Off-Carriageway Improvement: Paving of Shoulders to avoid overlapping of projects funded under FY 2024 GAA with project ID: P00801184VS. Paving of shoulder will provide and enhance road safety and functionality allowing vehicles to pull off the road in emergency situations and providing lateral support for the pavement structure.
2. Inclusion of New Component for (CW2)- Road Safety: Guardrails, a safety barrier that will protect the travelling public from hitting obstacles such as utility poles, steep embankments, etc. and reducing the severity of accidents and making the roads safer for the motorists.
3. Based on the plan and actual site condition, the project involves paving of shoulders and installation of guard rails that will ensure the safety of the travelling public and other essential items of work necessary in the implementation of the project, in which the corresponding unit cost and physical targets are attained.
4. Attached are the following supporting documents: Form for Evaluation of Modification Request (DPWH-QMSP-03-01 Rev 01); BP 202; Certificate of Availability of Funds; Approved Program of Works; Detailed Unit Price Analysis; Plan; Geotagged Photos; Certificate of Reasonableness of Cost Estimate; and Location Map

Having complied with all the documentary requirements under Department Order No. 23, Series of 2023 and other supplemental guidelines, we are respectfully requesting that the above-mentioned project under FY 2024 GAA be modified.

For the Secretary's favorable consideration
