Respectfully submitted is the Memorandum dated 31 March 2017 of **OIC- Regional Director Allan S. JUSTIFICATION:

There is no change in physical target but project name was modified from Jct. F. Torres St., K1509+770 to F. Torres St., Jct. Tavera St. - Arellano St. - Mt. Apo St., K1509+770 to indicate the exact location of the project since the drainage structures are located along three sites instead of the original proposal of one site only to prioritize the needed drainage structures and prevent flooding along said three sites, thus, this request for modification.

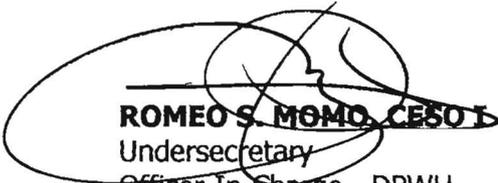

Attached are the required documents, such as Evaluation Form (2017 version 2.1), BP 202, Certificate of Availability of Funds (CAF), Approved Program of Work, and Geotagged photographs.

In view of the above, the request for Modification of the Project is respectfully recommended for consideration and approval.
