Justification based on the attachment of the Implementing Office:					
<ul style="list-style-type: none">Modification of the project title from "Rehabilitation of Multipurpose Building (College of Economics) at U.P. Diliman, Quezon City" to "Rehabilitation of Multipurpose Building (School of Economics) at U.P. Diliman, Quezon City" is requested to specify the exact identity of the building, the intended project for rehabilitation.Modifying the project title to explicitly state that the College of Economics and the School of Economics in UP Diliman are one and the same entity is a necessary step to eliminate confusion, ensure consistency, and enhance the institution's recognition and communication efficiency. This change will support the University's objectives and uphold its commitment to clarity and professionalism in all its endeavors.					
Attached are the following supporting documents:

Having complied with all the documentary requirements under Department Order No. 23, Series of 2023 and other supplemental guidelines, we are respectfully requesting that the abovementioned project under FY 2024 GAA be modified.

For the Secretary's favorable consideration.
