DEPARTMENT ORDER NO. 15
Series of 1974

SUBJECT: Holding of prebid conferences to enable contractors to prosecute infrastructure projects with efficiency.

To enable prospective bidders to iron out probable problems that may arise in the prosecution of the infrastructure projects of the Department of Public Highways and consequently insure the efficient prosecution of such projects, it is hereby ordered that

1. A prebid conference shall be held prior to pre-qualification, where all prospective bidders may participate, to clarify or resolve whatever problems or issues may occur, as well as, exchange ideas on matters regarding equipment requirements, sources of materials and equitable cost of some pay items.
2. Such prebid conference shall be held for projects estimated to cost more than one (1) million pesos, not later than five (5) days after the deadline for submission of the Pre C-2.
3. Contractors shall be given a two-day period after the prebid conference to submit additional pre-qualification papers pertinent to any additional prequalification requirement that may be discussed and agreed upon in the prebid conference.

This order shall take effect immediately.
