DEPARTMENT ORDER

No. **22**

Series of 1989 *3/3*

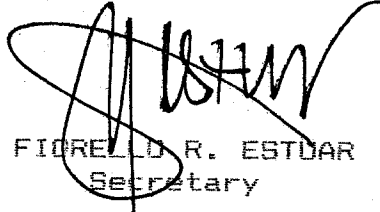

SUBJECT: Leasing of Construction Equipment from
Private Lessors

To allow earliest completion of rescinded/terminated projects where the balance of work will be done by administration and whenever the necessary equipment units to prosecute the work are not available from DPWH sources, it is hereby instructed that Regional Directors and District/City Engineers may resort to leasing of the necessary equipment from private lessors subject to the following conditions:

1. the equipment rental rates shall not exceed DPWH rates;
2. payment shall be for the actual equipment time used;
3. a certificate is issued by the Regional Equipment Engineer that the equipment is not available in the region, and
4. the contract will be submitted to the Central Office for the Secretary's approval.

This applies similarly to projects to be undertaken by administration, provided that the present regulation pertaining to the number of projects to be so undertaken by administration under DO No. 117, series of 1988, is strictly followed.

Any previously issued policy, rule or regulation inconsistent herewith is hereby revoked.
