SUBJECT: Creating a Committee to study and draft cost accounting methods to be adopted in the Department of Public Works, Transportation and Communications.

Pursuant to existing laws and in order to facilitate determination of project cost centers to aid management in the prosecution of present and future public works projects, a Committee is hereby created to study and draft an accounting system to be used in the Department of Public Works, Transportation and Communications which will easily show the direct and indirect costs of the project, as well as, overhead costs, as follows:

1. Mr. Gervacio ~~Olbe~~, DPWTC - - - Chairman
2. Mrs. Gertrudes Aldana, DPWTC - Member
3. The Chief Accountant, BPH - - - Member
4. The Chief Accountant, BPW - - - Member

The Committee is hereby directed to coordinate with the Office of the Auditor General and the Budget Commission so that this system of accounting for the Department shall be included in the proposed revision of the Revised Administrative Code, under Book 8, Volume 1 thereof.

The Committee is hereby informed that such revision shall be submitted to the Commission on Reorganization not later than August 1, 1973, for which reason the Committee should immediately start its studies and prepare the draft of such revision to comply with the deadline.
