MINISTRY OF PUBLIC WORKS AND HIGHWAYS
OFFICE OF THE MINISTER
MANILA

16 June 1983

MINISTRY ORDER) SUBJECT: Additional Guidelines for Local
NO. **43**) Scholarships/Training Grants
Series of 1983)

In line with the government's objectives of promoting professionalism in the public service and the Ministry's continuing concern of availing recent trends, developments, and/or technological innovations in all areas of infrastructure engineering, management and other related disciplines relevant to the operations of the Ministry in order to enhance job satisfaction and encourage high standard of performance at all position levels, the following guidelines are hereby issued as supplement to Ministry Order No. 34 dated April 23, 1982 and Ministry Order No. 69 dated September 16, 1982:

1. Local Scholarships, training grants, seminars and other invitational programs with schedule/s falling on non-working hours may be allowed subject to the provisions of Ministry Order No. 34, series of 1982.
2. In order to afford wider opportunities to a greater number of MPWH officials/employees for local scholarships/training grants, all Assistant Ministers and Bureau Directors are hereby directed to submit thru the Manpower Development Service (MDS) list of possible professional and technological courses offered in local schools which their employees can avail of after office hours. Names of interested personnel per course shall be included.
 - 2.1 The MDS shall submit to the Minister for approval thru the Scholarships Committee created under Ministry Order No. 35 dated April 26, 1982 an evaluation of the consolidated list including names of prospective candidates.
3. Employee privileges under the National Scholarship for Development Program (NSFD) established pursuant to the provisions of LOI No. 468 and the Scholarship Program in Public Administration set up under LOI No. 395 may be extended to qualified and deserving employees subject to the availability of funds in the Ministry. Preference shall be given to those who have already earned some units and wish to complete their professional or technological courses.

These supplementary policies and guidelines shall take effect immediately.
