DEPARTMENT ORDER)

48

No. _____)
Series of 2009)

SUBJECT: Establishment of Anti Truck
Overloading Enforcement
Oversight Unit at the Bureau of
Maintenance

In order to address the problems of truck overloading which causes considerable damage to the national road network, an Anti-Truck Overloading Enforcement Oversight Unit is hereby established at the Bureau of Maintenance (BOM).

The Anti-Truck Overloading Enforcement Oversight Unit shall be responsible for the supervision of the operations of the DPWH weighbridge stations and mobile enforcement teams.

The Bureau of Maintenance (BOM), jointly with the Planning Service (PS), shall formulate and recommend the implementing details to make the Anti-Truck Overloading Enforcement Oversight Unit fully operational, including:

- (a) The specific functions of the Unit in relation to the functions of the Planning Service and the field offices and entities involved in Anti-Truck Overloading Enforcement Operation;
- (b) The staffing and training of personnel;
- (c) The work program and operating procedures; and
- (d) The budget among others.

The Unit, through the BOM Director, shall coordinate with the Study Team undertaking the "Managing Truck Overloading – Preparation of Pilot Implementation" Project of the DPWH under Reform Agenda 009-02 of the Philippines-Australia Partnership for Economic Governance Reforms (PEGR). It shall also receive guidance from the Stakeholders Committee established for this Project.

This Order takes effect immediately and supersedes other Department issuances inconsistent therewith.
