DEPARTMENT ORDER)
No. 49)
Series of 2004 04-15-04)

**SUBJECT : Amendment to Department Order No. 253,
Series of 2003 re: Accreditation of Asphalt and
Portland Cement Concrete Batching Plants**

In view of the insufficient number of DPWH accredited asphalt and portland cement concrete batching plants, the grace period given to suppliers of asphalt and concrete mixes which is supposed to expire on March 30, 2004 as prescribed under Department Order 253, Series of 2003 is hereby extended until June 30, 2004, to give them more time to comply with the requirements for accreditation. As such, suppliers can still continue to supply asphalt and concrete mixes to DPWH projects during the stated period.

Full and outright implementation of Department Order No. 253, series of 2003 shall take effect on July 1, 2004.

For strict compliance.
