DP-16-2005

REPUBLIC OF THE PHILIPPINES
DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS
OFFICE OF THE SECRETARY
Manila
AUG 11 2005

DEPARTMENT ORDER)
NO. 83)
Series of 2005

SUBJECT : Installation of
Revised Project
Billboards and
Markers

For guidance and information of the citizenry about the on-going and completed infrastructure projects being undertaken by the Department, project billboards and markers shall be installed in all project sites by the concerned implementing offices of the Department, respectively.

Henceforth, the following guidelines shall be observed in the preparation and installation of the revised billboards and markers:

1. The project billboard to be installed in all project sites shall include the "SERBISYO MUNA!" and "BEAT THE ODDS!" logos in addition to the "GMA CARES" logo; Information as to "SOURCE OF FUNDS" shall also be added as shown in Annexes "A" and "B" hereof;
2. For each locally funded building project or similar project, Type I Billboard – 4 ft x 8 ft x ½ inch marine plywood (Annex "A" hereof) shall be installed in front of the project site;
3. For each locally funded road/bridge/flood control project, two Type I Billboard – 4 ft x 8 ft x ½ inch marine plywood shall be installed one at the beginning and one at the end of the project;
4. For each foreign assisted project, Type II Billboard – 8 ft x 8 ft x ½ inch marine plywood (Annex "B" hereof) shall be used at same locations specified for each project category above;
5. The marker to be installed in all completed projects shall be made of 3/32 inch thick brass plate, 18" x 24" in size with black sunk lettering;
6. It shall include the name of project, location, personages and source of fund(s) as shown in Annexes "C" (locally funded) & "D" (foreign assisted) hereof;

7. For building and similar projects, it shall be strategically located at the front wall of the structure as shown in Annex "E.1" hereof;
8. For 2-lane bridge and similar projects, it shall be installed at the right wing wall as shown in Annex "E.2" hereof; and
9. For 4-lane bridge with median of not less than 2.0 m and similar projects, it shall be installed at the median as shown in Annex "E.3" hereof.

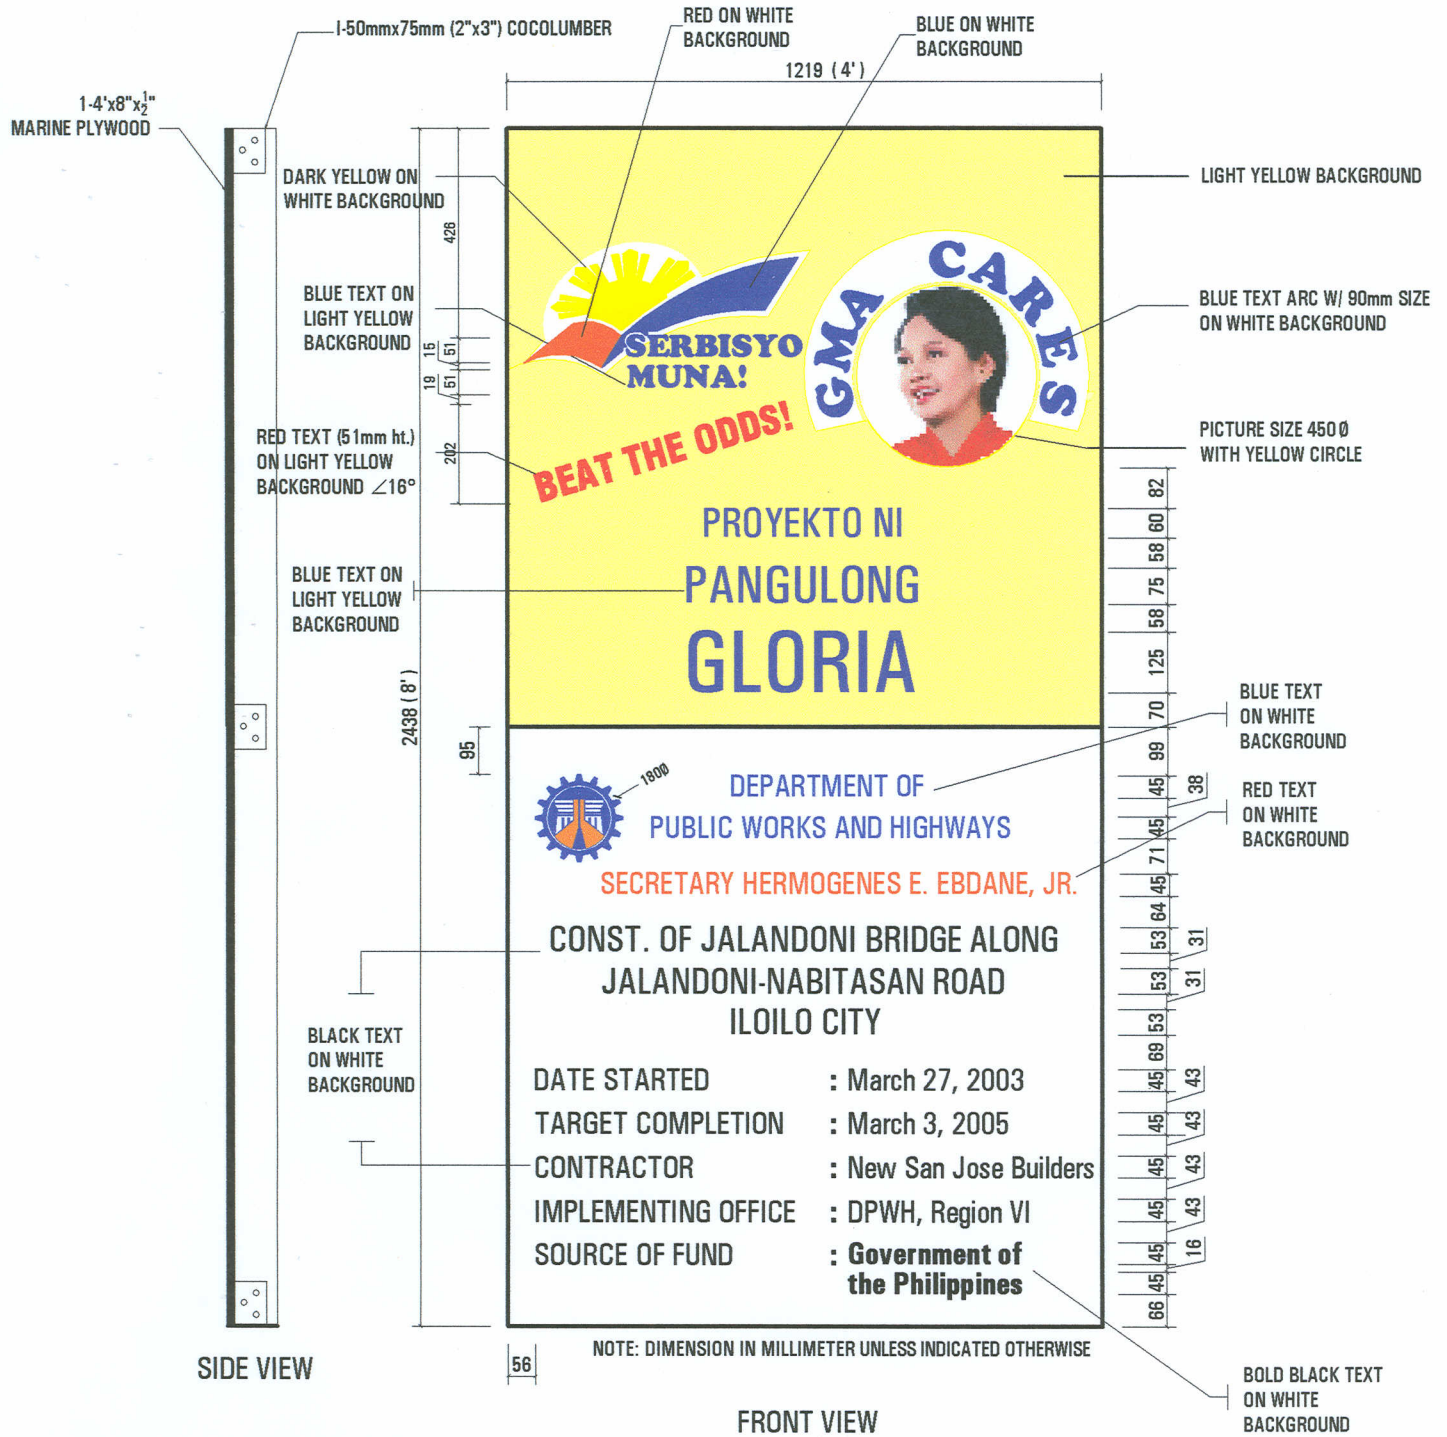

This Order shall amend/modify other previous issuances inconsistent herewith and shall take effect immediately.
