DEPARTMENT ORDER )

NUMBER **85** )

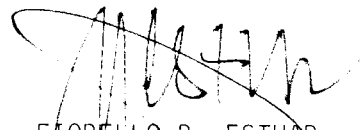

Series of 1990 )

SUBJECT: Supplemental Guidelines for Planning and Estimating of Labor-Based Projects.

To further improve the procedure for planning and estimating, including the preparation of Programs of Work (POWs), for road projects to be undertaken thru labor-based/equipment-supported methods (**LB/ESM**), all Regional, District and City Offices and other concerned units of the Department are hereby directed to adopt the attached format and "Supplemental Guidelines for the Preparation of Program of Work for LB/ES Projects".

The use of the enclosed three (3) **Terrain Models** as additional reference in planning and estimating LB/ES projects is likewise directed.

This Order takes effect immediately and confirms the adoption of the new POW format for all approved LB/ES and CARP projects.
