DEPARTMENT ORDER )  
NO. 114 )  
Series of 1977. )  
x - - - - - x

SUBJECT: Allocation of 15% share  
from the gross collec-  
tions of the Kennon Toll  
Road to the City Engineer's  
Office of Baguio

To enable the City Engineer to carry out immediate and effective maintenance, repair and/or improvement of the portion of the Kennon Road under his jurisdiction in order to keep it open, safe and convenient to the traveling public at all times, and pursuant to P.D. 1004 exempting the toll fees collected from the Kennon Road from the operation of P.D. 711 and authorizing the use of such toll fees collected to be disbursed exclusively for the maintenance, repair and/or improvement of said road, fifteen percent (15%) of the toll fees collected from the Kennon Road is hereby allocated for the maintenance, repair and improvement of that portion of the Kennon Road within the territorial limits of Baguio City.

The Highway District Engineer of Benguet is hereby directed to turn over on quarterly basis the 15% allocation of the proceeds of toll collections from the Kennon Road to the City Engineer, so that the latter can effectively carry out maintenance, repair and improvement work in sections of said road under his jurisdiction.

This order shall take effect immediately.
