DEPARTMENT ORDER

No. **133** *7<sup>th</sup>*  
Series of 1990 *7/5*

SUBJECT: Insurance coverage and Registration  
of Service Vehicles

The use of the Property Replacement Fund appropriated annually in the General Appropriations Act and administered by the Government Service Insurance System covers only the insurance premiums for heavy equipment, hence, insurance premiums of motor/service vehicles are to be paid out of the annual appropriation of the Department.

Since all funds appropriated under the Maintenance and other Operating Expenses (MOE) for regional operations are released to the regions, insurance premiums and registration fee of service vehicles assigned to respective regions shall be paid out of these funds.

Accordingly, all service vehicles in the custody of the field regions should be insured and registered in the respective Government Service Insurance System (GSIS) and Bureau of Land Transportation (BLT) regional offices, furnishing the Bureau of Equipment, Attn.: Chief, Central Equipment and Spare Parts Division (CESPD), legible copies of the Certificate of Insurance Coverage (COC), Certificate of Registration (CR) and the corresponding current Official Receipt.

This Department Order shall take effect on 01 September 1990.
