SUBJECT: IMPLEMENTATION OF  
"PHILIPPINES 2000"  
PROGRAM OF THE  
PRESIDENT

In support of the "Philippines 2000" program launched by His Excellency President Fidel V. Ramos last February 25, 1993 during the 7th EDSA Anniversary Celebration, it is required that all DPWH Regional Directors, Project Directors, District and City Engineers to display the identifying logo and slogan for Philippines 2000 in all billboards and signboards on major on-going and new construction/improvement projects of this Department.

We feel that public works projects are tangible manifestation of what we can do in pursuit of the vision of development of becoming a Newly Industrializing Country (NIC) by the turn of the century.

Attached is a prototype of the logo and slogan for guidance.

For compliance.

  
EDMUNDO V. MIR  
Acting Secretary
