In view of this accreditation, the above-named personnel may be assigned to supervise DPWH projects, subject to the limits of assignment spelled out under Department Order No. 73, Series of 1998.

A Certificate of Accreditation and an identification card bearing a Permanent Accreditation Number shall be issued to each accredited engineer.

Effective January 2, 1999, heads of office are required to issue a Project Designation Order to every engineer when assigning him/her to a project, following the format shown in Annex A. Each implementing office shall submit a copy of these Designation Orders to the Chairman, Accreditation Committee, Attention: The Director, Bureau of Research and Standards on the 5th day of the month following the end of every quarter.

GREGORIO R. VIGILAR
Secretary
