DEPARTMENT ORDER)

NO. **212**)

Series of 2001 *10-27-01*)

**SUBJECT : Provision of Specifications for Special Items
of Works (SPL) in DPWH Projects**

In has been observed that there are Special Items of Works (SPL) indicated in the Approved Program of Works without corresponding specifications to be adopted in the implementation of some DPWH projects. As a consequence, the on-going/completed Special Items of Works cannot be evaluated expeditiously by the DPWH Inspectors as to compliance to plans and specifications due to the absence of the requirements to be followed in the execution of the works.

Henceforth, it is hereby directed that the Planning and Design Engineer of all implementing offices be required to prepare and develop the specifications for any special item of work to be incorporated into the project.

In no case should any special item of work be carried out without the accompanying specifications duly approved by the head of the implementing office.

For strict compliance.
