This Task Force shall have the following responsibilities:

1. Discuss and finalize with the JICA Study Team the alignment of the proposed busway;
2. Coordinate the inventory of assets (land and structures) that will be affected by the project;
3. Make initial valuation of the affected assets and initial estimate of ROW acquisition cost;
4. In coordination with the JICA Study Team, identify and recommend arrangements for the mode and financing of the acquisition of the ROW, including outright purchase, land swaps, donations, cost-sharing among DPWH and LGUs, etc.;

5. Conduct consultations with affected persons, private land developers, NGOs, local communities and other local government units on the ROW acquisition plan and relocation of affected families;
6. Identify and make arrangements for the development of sites for relocation, if any, for the project affected families.

The Task Force shall report the progress of its activities to the Steering Committee of the Cavite Busway Feasibility Study.

This order takes effect immediately.
