SUBJECT : Training Programs for DPWH Devolution Transition Plan (DTP)

In connection with the DPWH Devolution Transition Plan (DTP) prepared pursuant to Executive Order (E.O.) No. 138 series of 2021 and its Implementing Rules and Regulations (IRR), the Capacity Development Strategy of the DPWH comprises a series of "Training of Trainers" that aims to equip the Regional and District Engineering Offices with the competencies needed to deliver the capacity development interventions that the DPWH intends to provide to the Local Government Units (LGUs) to build their capacities and handhold them to manage and implement the devolve functions and service.

As part of the Learning Needs Assessment (LNA) currently being undertaken by the Capacity Development Division, HRAS, may we respectfully request your good office to review the list of trainings (Annex A) and identify the duration, target participants, and the Subject Matter Experts (SMEs) who shall facilitate the trainings identified in the Department's DTP.

Please be informed that the identified SMEs are invited to attend the Training on Facilitating Digital Learning scheduled on November 18, 2021 as part of the preparation for the DTP Training of Trainers.

Kindly submit the requested information using the attached template (Annex B) to Capacity Development Division, HRAS, or you may email your submission at estrera.ricardo@dpwh.gov.ph on or before **November 12, 2021**.

For more information or additional inquiries, you may reach Mr. Ricardo P. Estrera at telephone no. 304-3249.

For compliance.

MARIA CATALINA E. CABRAL, Ph.D., CESO I

Undersecretary for Information Management, Planning and PPP Services
Chairperson, DPWH DTP Technical Working Group
