**CREATION OF A JOINT COORDINATING COMMITTEE
AND TECHNICAL WORKING GROUP FOR THE MASTER
PLAN STUDY ON THE HIGH STANDARD HIGHWAY
NETWORK DEVELOPMENT (PHASE 2) AND THE
PREPARATORY SURVEY FOR THE NEW MACTAN BRIDGE
CONSTRUCTION PROJECT**

No. 29

Series of 2019 APR 03, 19

To ensure the effective and coordinated implementation of the Master Plan Study on the High Standard Highway Network Development (Phase 2), and the Feasibility Study of the New Mactan Bridge Construction Project, Joint Coordinating Committees (JCCs) and Technical Working Groups (TWGs) for the projects are hereby created.

The main functions of the JCCs are as follows:

1. Evaluate and approve the annual work plan of the Project to be formulated under the framework of Record of Discussion (R/D)
2. Evaluate the achievement of the annual work plan and overall progress of the project
3. Provide guidance and resolve issues/constraints that may arise during the course of the study and implementation of the project
4. Evaluate the results and recommendations of the study
5. Ensure to attain the desired outcome of the study

The functions of the TWGs are as follows:

1. Oversee/monitor the progress of the study being conducted by the Study Team including coordination of the pilot projects.
2. Assist the JCC in the performance of its overall functions to ensure the optimum output needed in the study and will review materials prepared by the Counterpart Working Group (CWG).

The respective JCCs and TWGs of the Master Plan Study on the High Standard Highway Network Development (Phase II) and the Preparatory Survey for the New Mactan Bridge Construction Project are hereby created. The composition of the JCCs and TWGs of the projects is hereto attached.

This Special Order shall take effect immediately.
