DEPARTMENT ORDER)

**SUBJECT: 1st List of Accredited DPWH Value
Methodology Associates (VMA)**

NO. 10)
Series of 2023)
dt 1/23/2023

In line with the Department's efforts to institutionalize value engineering/value analysis to improve the quality and value of public infrastructures, all DPWH projects that require value engineering studies should involve the participation of accredited DPWH Value Methodology Associates (VMAs) to ensure that the studies are consistent with internationally-accepted Value Methodology (VM) processes and standards.

Listed hereunder are the accredited DPWH VMAs after they completed the Value Methodology Fundamentals 1 (VMF 1) Course and successfully passed the Value Methodology Associate (VMA) Certification Examination administered by the **Society of American Value Engineers (SAVE) International®** which is the international organization recognized worldwide for promoting, advocating, educating, and certifying individuals on the use of VM.
