**AND CONSULTANTS' PROJECT**  
**ENGINEERS**  
A 10/7/2022

In view of the continuous reduction of COVID-19 Alert Level Status in most Regions of the country and the nearing of the vaccination thresholds for target population and priority groups, the deferment of the implementation of the accreditation of Contractor's and Consultant's Project Engineers thru Department Order No. 82, series of 2021 is hereby lifted.

Applications for the February 2023 examination shall be accepted by the Regional Offices thru the Construction Division starting November until December 23, 2022. The conduct of accreditation examinations for Contractors' and Consultants' Project Engineers as stipulated under Section 4.3 of D.O. No. 94, series of 2020 shall be administered to all qualified applicants simultaneously in Manila, Cebu and Davao to be held every first Saturday of February and July.

Applications for the accreditation of engineers who passed the previous examinations shall be continuously evaluated and processed by the Bureau of Quality and Safety.

Full implementation of Department Order No. 94, series of 2020 shall take effect on January 2024, where only accredited project engineers of the contractors and consultants may be assigned to supervise DPWH projects.

This order shall take effect immediately and shall supersede Department Order No. 82, series of 2021.

For strict compliance.
