ATTENTION : Local Inter-Agency Committee (LIAC)

PROJECT : Metro Manila Flood Management Project, Phase 1 (MMFMP1), IBRD 8784-PH and AIIB 000023-1-PHL

SUBJECT : Request for Reconsideration of Disqualified Informal Settler Families (ISFs) During the Beneficiary Selection, Awards, and Arbitration Committee (BSAAC) Deliberation

Dear Mayor Lacuna-Pangan:

This has reference to the ongoing relocation of ISFs from Vitas Pumping Station under the Component 3 of the above project.

To date, 185 out of 229 ISFs were already relocated. However, out of the remaining 44 ISFs, 21 of them were disqualified – 17 are from BSAAC deliberation, while the remaining 4 have former awards.

Relative hereto, we would like to request for reconsideration of these ISFs for them to be awarded with housing units at Trece Martires, Cavite relocation site. These ISFs need to be relocated and their structures need to be demolished as these are obstructing the waterways of the pumping station. Hereunder are the details of these ISFs:

| Tag No./ DILG No. | Barangay | Name of Household Head | Remarks |
|----------------------|----------|-----------------------------|---|
| ST-025-15-2F | 93 | Alicando, Andy Simbiling | Mr. Alicando previously waived the award to his stepdaughter because he went to Samar to visit his relatives, and he cannot go back home due to pandemic and lack of money. However, this was not allowed, so his stepdaughter was disqualified. Now, he's already in Vitas and requested to restore the application back to his name instead. Requirements of Mr. Alicando are already submitted. Mr. Alicando is included in the Pasig River Rehabilitation Commission (PRRC)/LIAC masterlist. |

| | | | |
|--------------|----|----------------------------------|--|
| DILG No. 20 | 93 | Doria, Elizabeth Namang | During the BSAAC deliberation, she mentioned that she does not have children, thus disqualifying her for the award. Since she was disqualified, she then mentioned that she has children as her dependent. |
| ST-072-15-2F | 93 | Fronza, Alfredo Gonzales | He has no dependents. |
| ST-059-15 | 93 | Garcia, Bernardo Jr. Beltran (+) | Mr. Garcia has already passed away, so his stepdaughter who was living with him before was trying to claim the award, but she was disqualified. His other legitimate child, Ms. Garcia, then showed up and requested to claim the award on behalf of his deceased father. She is working in Bulacan and only stays in Vitas during weekends, making her stepsister process the documents. |
| DILG No. 25 | 93 | Imperial, Verna Quilab | Ms. Imperial is already living with her son in Tayuman, but she used to live under the bridge with someone. She was waiving her award to that person. |
| ST-036-15-5F | 93 | Lopez, Michael Dumot | Mr. Lopez was hospitalized during the 2015 census. Proof of his hospitalization is attached in his folder. He also showed no dependent during the BSAAC deliberation, making him disqualified for the award. After that, his live-in partner showed up with a child. |
| ST-043-15-6F | 93 | Quitalig, Angelito Del Pilar (+) | Mr. Quitalig has already passed away. His partner showed up during the BSAAC deliberation, and was requested for a proof of her relationship to Mr. Quitalig, to which she cannot provide that time. The Consultant then requested the PSA birth certificate of her child with Mr. Quitalig, showing that she was indeed his partner at that time. The Consultant also requested the PSA death certificate of Mr. Quitalig, since she brought a falsified death certificate during the deliberation. |
| ST-003-15-3F | 93 | Quizon, Herman Reyes | He was confirmed to be a previous awardee. He has no dependent. |
| ST-025-15-2F | 93 | Quizon, Jaime Moratilla (+) | Mr. Quizon has already passed away. Ms. Imelda Tongco, his live-in partner for 22 years, was disqualified because she cannot provide any proof of their relationship. They also do not have any |

| | | | |
|----------------|-----|-------------------------------|---|
| | | | children during their relationship. Her niece is her only dependent. The Consultant requested an affidavit from her neighbors as proof that they previously lived together. |
| ST-014-15-1F | 93 | Santiago, Ricardo Masula | He was confirmed to be a previous awardee. |
| ST-023-15 | 93 | Santos, Alicia Santos (Tacla) | She was confirmed by the National Housing Authority (NHA) to be a previous awardee, but she is requesting an appeal to check the date of her birth. She was born in 1986 but the award was given in 1980. |
| ST-026-15-1F | 93 | Santos, Michael Quizon | His mother, Esperanza Quizon, was confirmed to be a previous awardee. He is requesting for reconsideration since the previous award was for her mother, not for him. |
| ST-076-15-3F | 93 | Santos, Rodolfo Santos (+) | Mr. Santos has already passed away. His partner was requested for a proof of her relationship with him. They do not have a child. |
| No Tag | 93 | Sosa, Aniceto Collado | His family are no longer living under the bridge since they were fire victims. They were requested to submit a Bureau of Fire Protection (BFP) report and Department of Social Welfare and Development (DSWD) list of those affected by the fire that time. |
| DILG No. 1 | 150 | Abides, Leopoldo Reyes | He was disqualified because he cannot say the name of his niece. He is also partially deaf and cannot speak Tagalog well (Bisaya is his primary language). |
| DILG No. 10 | 150 | Bautista, Raymart Gonzales | He has no dependents. |
| ST-003-B-15-2F | 150 | Cabuhad, Aristone Marquez | He was disqualified because he informed the BSAAC that he is no longer living along the bridge. He was a stay-in at work for 3 years. |
| St-001-L-15-2F | 150 | Cruz, Alfredo Jr. Marques (+) | Mr. Cruz Jr. already passed away in 2014 but was included in 2015 census. The Consultant verified with NHA that the name in the masterlist is the son and not the father who is still alive based on the birthdate recorded. Mr. Cruz Sr. is now claiming on behalf of his deceased son, but he is overage for the award, and has no other qualified dependent. |

| | | | |
|---------------|-----|--------------------------|---|
| ST-001-15-3F | 150 | Lee, Juinor Pagatpatan | His cousin was requested to submit a proof of his relationship to the household head. |
| ST-001H-10-2F | 150 | Tome, Rolando Maganoy | He has no dependents. |
| ST-001H-10-2F | 150 | Tome, Bernadette Robilos | He was disqualified due to falsification of death certificate and waiver of rights. |

Moreover, we would like to request a LIAC Meeting on January 18, 2023, Wednesday, 9:00 A.M. at DPWH Operations Room to present each case for reconsideration. Attached are their appeals for your reconsideration.

PROJECT : Metro Manila Flood Management Project, Phase 1 (MMFMP1), IBRD 8784-PH and AIIB 000023-1-PHL

SUBJECT : Request for Reconsideration of Disqualified Informal Settler Families (ISFs) During the Beneficiary Selection, Awards, and Arbitration Committee (BSAAC) Deliberation

Dear Mayor Lacuna-Pangan:

This has reference to the ongoing relocation of ISFs from Vitas Pumping Station under the Component 3 of the above project.

To date, 194 out of 227 ISFs were already relocated. However, out of the remaining 33 ISFs, 21 of them were disqualified – 17 ISFs were disqualified by BSAAC during the deliberations, while the remaining 4 have former awards.

Relative hereto, we would like to request for reconsideration for the 16 ISFs to be qualified with housing units at Trece Martires, Cavite relocation site. These ISFs need to be relocated and their structures need to be demolished as these are obstructing the waterways of the pumping station. Hereunder are the details of these ISFs:

| Tag No./ DILG No. | Barangay | Name of Household Head | Remarks |
|----------------------|----------|-----------------------------|--|
| ST-025-15-2F | 93 | Alicando, Andy Simbiling | <p>Mr. Alicando previously waived the award to his stepdaughter because he went to Samar to visit his relatives, and he cannot go back home due to pandemic and lack of money. However, this was not allowed, so his stepdaughter was disqualified. Now, he's already in Vitas and requested to restore the application back to his name instead. Requirements of Mr. Alicando are already submitted.</p> <p>Mr. Alicando is included in the Pasig River Rehabilitation Commission (PRRC)/LIAC masterlist.</p> |

| | | | |
|--------------|----|----------------------------------|--|
| DILG No. 20 | 93 | Doria, Elizabeth Namang | During the BSAAC deliberation, she mentioned that she does not have children, thus disqualifying her for the award. Since she was disqualified, she then mentioned that she has children as her dependent. |
| ST-072-15-2F | 93 | Fronza, Alfredo Gonzales | He has no dependents because he is living with his niece. He waived his right to his niece but he will be relocated together since he is already 64 years old. |
| ST-059-15 | 93 | Garcia, Bernardo Jr. Beltran (+) | Mr. Garcia has already passed away, so his stepdaughter who was living with him before was trying to claim the award, but she was disqualified. His other legitimate child, Ms. Garcia, then showed up and requested to claim the award on behalf of his deceased father. She is working in Bulacan and only stays in Vitas during weekends, making her stepsister process the documents. She said that since they are living together, the former DQ stepsister will be relocated together with her. |
| ST-036-15-5F | 93 | Lopez, Michael Dumot | Mr. Lopez was hospitalized during the 2015 census. Proof of his hospitalization is attached in his folder. He also showed no dependent during the BSAAC deliberation, making him disqualified for the award. After that, his live-in partner showed up with a child. |
| ST-043-15-6F | 93 | Quitalig, Angelito Del Pilar (+) | <p>Mr. Quitalig has already passed away. His partner showed up during the BSAAC deliberation and was requested for a proof of her relationship to Mr. Quitalig, to which she cannot provide that time. The Consultant then requested the PSA birth certificate of her child with Mr. Quitalig, showing that she was indeed his partner at that time. The Consultant also requested the PSA death certificate of Mr. Quitalig, since she brought a falsified death certificate during the deliberation.</p> <p>However, Ms. Reyes is considered vulnerable person because she has 11 children and is a lactating mother from her new partner.</p> |

| | | | |
|----------------|-----|-------------------------------|---|
| ST-025-15-2F | 93 | Quizon, Jaime Moratilla (+) | Mr. Quizon has already passed away. Ms. Imelda Tongco, his live-in partner for 22 years, was disqualified because she cannot provide any proof of their relationship. They also do not have any children during their relationship. Her niece is her only dependent that they are taking care of together. The Consultant requested an affidavit from her neighbors as proof that they previously lived together. |
| ST-023-15 | 93 | Santos, Alicia Santos (Tacla) | She was confirmed by the National Housing Authority (NHA) to be a previous awardee, but she is requesting an appeal to check the date of her birthday. She was born in 1986 but the award was given in 1980. |
| ST-026-15-1F | 93 | Santos, Michael Quizon | His mother, Esperanza Quizon, was confirmed to be a previous awardee. He is requesting for reconsideration since the previous award was not for him. |
| ST-076-15-3F | 93 | Santos, Rodolfo Santos (+) | Mr. Santos has already passed away. His partner was requested for a proof of her relationship with him. They do not have a child, but neighbors can confirm that they really living together |
| No Tag | 93 | Sosa, Aniceto Collado | His family is no longer living under the bridge since they were fire victims. They were requested to submit a Bureau of Fire Protection (BFP) report and Department of Social Welfare and Development (DSWD) list of those affected by the fire that time. |
| DILG No. 1 | 150 | Abides, Leopoldo Reyes | He was disqualified because he cannot say the name of his niece. He is also partially deaf and cannot speak Tagalog well (Bisaya is his primary language). |
| DILG No. 10 | 150 | Bautista, Raymart Gonzales | He has no dependents in his application but due to the disqualification, he has biological child and a mother transferred to Cavite during the pandemic. His childbirth certificate doesn't reflect him as father because they been separated. But now the child is living with him and the mother can no longer be found. |
| St-001-L-15-2F | 150 | Cruz, Alfredo Jr. Marques (+) | Mr. Cruz Jr. already passed away in 2014 but was included in 2015 census. The Consultant verified with NHA that the name in the masterlist is the son |

| | | | |
|---------------|-----|------------------------|--|
| | | | <p>and not the father who is still alive based on the birthdate recorded. Mr. Cruz Sr. is now claiming on behalf of his deceased son, but he is overage for the award, and has no other qualified dependent.</p> <p>Mr. Cruz Sr. need to be relocated because of his structures within the technical footprints.</p> |
| ST-001-15-3F | 150 | Lee, Juinor Pagatpatan | <p>His cousin was requested to submit a proof of his relationship to the household head. Ms. Alcober can no longer locate Ms. Lee hence, they are living together.</p> <p>During the census, only Ms. Lee was present because they are working that time.</p> |
| ST-001H-10-2F | 150 | Tome, Rolando Maganoy | <p>He has no dependents, and he is living together with his niece. If he will be relocated, the niece will also together with him</p> |
