# ***Glossary of Terms, Abbreviations, and Acronyms***

**ABC** – Approved Budget for the **Contract**.

**ARCC** – Allowable Range of Contract Cost.

**BAC** – Bids and Awards Committee.

**Bid** – A signed offer or proposal to undertake a contract submitted by a bidder in response to and in consonance with the requirements of the bidding documents. Also referred to as *Proposal* and *Tender*. (2016 revised IRR, Section 5[c])

**Bidder** – Refers to a contractor, manufacturer, supplier, distributor and/or consultant who submits a bid in response to the requirements of the Bidding Documents. (2016 revised IRR, Section 5[d])

**Bidding Documents** – The documents issued by the Procuring Entity as the bases for bids, furnishing all information necessary for a prospective bidder to prepare a bid for the Goods, Infrastructure Projects, and/or Consulting Services required by the Procuring Entity. (2016 revised IRR, Section 5[e])

**BIR** – Bureau of Internal Revenue.

**BSP** – Bangko Sentral ng Pilipinas.

**CDA** – Cooperative Development Authority.

**Consulting Services** – Refer to services for Infrastructure Projects and other types of projects or activities of the GOP requiring adequate external technical and professional expertise that are beyond the capability and/or capacity of the GOP to undertake such as, but not limited to: (i) advisory and review services; (ii) pre-investment or feasibility studies; (iii) design; (iv) construction supervision; (v) management and related services; and (vi) other technical services or special studies. (2016 revised IRR, Section 5[i])

**Contract** – Refers to the agreement entered into between the Procuring Entity and the Supplier or Manufacturer or Distributor or Service Provider for procurement of Goods and Services; Contractor for Procurement of Infrastructure Projects; or Consultant or Consulting Firm for Procurement of Consulting Services; as the case may be, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

**Contractor** – is a natural or juridical entity whose proposal was accepted by the Procuring Entity and to whom the Contract to execute the Work was awarded. Contractor as used in these Bidding Documents may likewise refer to a supplier, distributor, manufacturer, or consultant.

**CPI** – Consumer Price Index.

**DOLE** – Department of Labor and Employment.

**DTI**- Department of Trade and Industry

**Foreign-funded Procurement or Foreign-Assisted Project** – Refers to procurement whose funding source is from a foreign government, foreign or international financing institution as specified in the Treaty or International or Executive Agreement. (2016 revised IRR, Section 5[b]).

**GFI – Government Financial Institution.**

**GOCC – Government-owned and/or –controlled corporation.**

**Goods** – Refer to all items, supplies, materials and general support services, except Consulting Services and Infrastructure Projects, which may be needed in the transaction of public businesses or in the pursuit of any government undertaking, project or activity, whether in the nature of equipment, furniture, stationery, materials for construction, or personal property of any kind, including non-personal or contractual services such as the repair and maintenance of equipment and furniture, as well as trucking, hauling, janitorial, security, and related or analogous services, as well as procurement of materials and supplies provided by the Procuring Entity for such services. The term “related” or “analogous services” shall include, but is not limited to, lease or purchase of office space, media advertisements, health maintenance services, and other services essential to the operation of the Procuring Entity. (2016 revised IRR, Section 5[r])

**GOP** – Government of the Philippines.

**Infrastructure Projects** – Include the construction, improvement, rehabilitation, demolition, repair, restoration or maintenance of roads and bridges, railways, airports, seaports, communication facilities, civil works components of information technology projects, irrigation, flood control and drainage, water supply, sanitation, sewerage and solid waste management systems, shore protection, energy/power and electrification facilities, national buildings, school buildings, hospital buildings, and other related construction projects of the government. Also referred to as *civil works or works*. (2016 revised IRR, Section 5[u])

**LGUs** – Local Government Units.

**NFCC** – Net Financial Contracting Capacity.

**NGA** – National Government Agency.

**PCAB** – Philippine Contractors Accreditation Board.

**PhilGEPS** - Philippine Government Electronic Procurement System.

**Procurement Project** – refers to a specific or identified procurement covering goods, infrastructure project or consulting services. A Procurement Project shall be described, detailed, and scheduled in the Project Procurement Management Plan prepared by the agency which shall be consolidated in the procuring entity's Annual Procurement Plan. (GPPB Circular No. 06-2019 dated 17 July 2019)

**PSA** – Philippine Statistics Authority.

**SEC** – Securities and Exchange Commission.

**SLCC** – Single Largest Completed Contract.

**UN** – United Nations

## ***Section I. Invitation to Bid***

## INVITATION TO BID

### For

#### Construction of Concrete Road, Zone 1, La Purisima, Lupi, Camarines Sur (Phase I)

1. The **DPWH Camarines Sur 1<sup>st</sup> District Engineering Office**, through the **General Appropriations Act (GAA) CY - 2025** intends to apply the sum of **Thirteen Million Three Hundred Eleven Thousand Two Hundred Seven and 39/100 (Php 13,311,207.39)** being the Approved Budget for the Contract (ABC) to payments under the contract for **Construction of Concrete Road, Zone 1, La Purisima, Lupi, Camarines Sur (Phase I)/25FD0103**. Bids received in excess of the ABC shall be automatically rejected at bid opening.
2. The **DPWH Camarines Sur 1<sup>st</sup> District Engineering Office** through its Bids and Awards Committee now invites bids for the hereunder Works:

Name of Contract	:	<b>Construction of Concrete Road, Zone 1, La Purisima, Lupi, Camarines Sur (Phase I)</b>
Contract ID No.	:	<b>25FD0103</b>
Locations	:	<b>Lupi, Camarines Sur</b>
Scope of Works	:	<b>Construction of Concrete Road</b>
Approved Budget for the Contract	:	<b>Thirteen Million Three Hundred Eleven Thousand Two Hundred Seven and 39/100 (Php 13,311,207.39)</b>
Contract Duration	:	<b>90 Calendar Days</b>

3. Prospective Bidders should be (1) registered with and classified by the Philippine Contractors Accreditation Board (PCAB) with PCAB LICENSE Category of **C & D – Small B** for **General Engineering**. The description of an eligible Bidder is contained in the Bidding Documents, particularly, in Annex II-1.1 B Section II and III of Bidding Documents.

Contractors/applicants who wish to participate in this bidding are encouraged to enroll in the DPWH Civil Works Application (CWA) at the DPWH Procurement Service (PrS), 5<sup>th</sup> Floor, DPWH Bldg., Bonifacio Drive, Port Area, Manila, while those already enrolled shall keep their records current and updated. The Contractor's eligibility to bid on the project will be determined using the DPWH Contractor Profile Eligibility Process (CPEP) and subject to further post-qualification. Information on registration can be obtained from the PrS during working weekdays from 7:00 am to 4:00 pm or at the DPWH website [www.dpwh.gov.ph](http://www.dpwh.gov.ph)

4. Bidding will be conducted through open competitive bidding procedures using non- discretionary pass/fail criterion as specified in the 2016 Revised Implementing Rules and Regulations (IRR) of Republic Act 9184 (RA 9184), otherwise known as the "Government Procurement Reform Act". The contract shall be awarded to the Lowest Calculated Responsive Bidder (LCRB) who was determined as such during post-qualification.
5. Interested bidders may obtain further information from the **DPWH Camarines Sur 1<sup>st</sup> DEO Procurement Unit** Office and inspect the Bidding Documents at Baras, Canaman, Camarines Sur during weekdays from 8:00am to 5:00pm.
6. A complete set of Bidding Documents may be acquired by interested bidders **June 23, 2025 – July 14, 2025**, from the address below and upon payment of the applicable fee for the Bidding Documents, pursuant to the latest Guidelines issued by the GPPB, in the amount of **Twenty Five Thousand Pesos Only (Php 25,000.00)**.

Republic of the Philippines  
DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS  
**CAMARINES SUR 1<sup>ST</sup> DISTRICT ENGINEERING OFFICE**  
Baras, Canaman, Camarines Sur

7. It may also be downloaded free of charge from the website of the Philippine Government Electronic Procurement System (PhilGEPS)- [www.philgeps.gov.ph](http://www.philgeps.gov.ph), and the website of the Procuring Entity- [www.dpwh.gov.ph](http://www.dpwh.gov.ph), provided that bidders shall pay the applicable fee for the Bidding Documents not later than the submission of their bids.
8. The **DPWH - Camarines Sur 1<sup>st</sup> District Engineering Office** will hold a Pre-Bid Conference on **June 30, 2025**, at **DE & ADE's Conference Room, DPWH, Camarines Sur 1<sup>st</sup> DEO, Baras, Canaman, Camarines Sur**, which shall be open to prospective bidders.
9. Bid submission maybe done manually or electronically/online. However, bidders should only select one mode of submission, either manual or electronic. Similar to manual submission, the guidelines for the preparation and submission of an electronic bid are contained in the BDS.
10. Bids must be duly received by the BAC Secretariat at the address below for manual submission or at **[electronicbids\\_camarinessur1@dpwh.gov.ph](mailto:electronicbids_camarinessur1@dpwh.gov.ph)** for electronic submission on or before **July 14, 2025, 10:00 a.m.** All bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in ITB Clause 18.
11. Bid opening shall be on **July 14, 2025, 10:00 am** at **DE & ADE's Conference Room, DPWH, Camarines Sur 1<sup>st</sup> DEO, Baras, Canaman, Camarines Sur**. Bids will be opened in the presence of the bidders' representatives who choose to attend at the address below. Late bids shall not be accepted.
12. The **DPWH Camarines Sur 1<sup>st</sup> District Engineering Office** reserves the right to reject any and all bids, declare a failure of bidding, or not award the contract at any time prior to contract award in accordance with Section 41 of RA 9184 and its IRR, without thereby incurring any liability to the affected bidder or bidders.

## ***Section II. Instructions to Bidders***

# **Instructions to Bidders**

## **1. Scope of Bid**

The Procuring Entity, [indicate name] invites Bids for the [insert Procurement Project], with Project Identification Number [indicate number].

[Note: The Project Identification Number is assigned by the Procuring Entity based on its own coding scheme and is not the same as the PhilGEPS reference number, which is generated after the posting of the bid opportunity on the PhilGEPS website.]

The Procurement Project (referred to herein as "Project") is for the construction of Works, as described in Section VI (Specifications).

## **2. Funding Information**

2.1. The GOP through the source of funding as indicated below for [indicate funding year] in the amount of [indicate amount].

2.2. The source of funding is:

[If an early procurement activity, select one and delete others:]

- a. NGA, the National Expenditure Program.
- b. GOCC and GFIs, the proposed Corporate Operating Budget.
- c. LGUs, the proposed Local Expenditure Program.

[If not an early procurement activity, select one and delete others:]

- a. NGA, the General Appropriations Act or Special Appropriations.
- b. GOCC and GFIs, the Corporate Operating Budget.
- c. LGUs, the Annual or Supplemental Budget, as approved by the Sanggunian.

## **3. Bidding Requirements**

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manual and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or invitation to bid by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have inspected the site, determined the general characteristics of the contracted Works and the conditions for this Project, such as the location and the nature of the work; (b) climatic conditions; (c) transportation facilities; (c) nature and condition of the terrain, geological conditions at the site communication facilities, requirements, location and availability of construction aggregates and other materials, labor, water, electric power and access roads; and (d) other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

#### **4. Corrupt, Fraudulent, Collusive, Coercive, and Obstructive Practices**

The Procuring Entity, as well as the Bidders and Contractors, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex "I" of the 2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

#### **5. Eligible Bidders**

5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.

5.2. The Bidder must have an experience of having completed a Single Largest Completed Contract (SLCC) that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC adjusted, if necessary, by the Bidder to current prices using the PSA's CPI, except under conditions provided for in Section 23.4.2.4 of the 2016 revised IRR of RA No. 9184.

A contract is considered to be "similar" to the contract to be bid if it has the major categories of work stated in the BDS.

5.3. For Foreign-funded Procurement, the Procuring Entity and the foreign government/foreign or international financing institution may agree on another track record requirement, as specified in the Bidding Document prepared for this purpose.

5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.2 of the 2016 IRR of RA No. 9184.

#### **6. Origin of Associated Goods**

There is no restriction on the origin of Goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN.

#### **7. Subcontracts**

7.1. The Bidder may subcontract portions of the Project to the extent allowed by the Procuring Entity as stated herein, but in no case more than fifty percent (50%) of the Project.

The Procuring Entity has prescribed that:  
[Select one, delete other/s]

a. Subcontracting is allowed. The portions of Project and the maximum percentage allowed to be subcontracted are indicated in the BDS, which shall not exceed fifty percent (50%) of the contracted Works.

b. Subcontracting is not allowed.

7.1. [If Procuring Entity has determined that subcontracting is allowed during the bidding , state:] The Bidder must submit together with its Bid the documentary requirements of the subcontractor(s) complying with the eligibility criteria stated in ITB Clause 5 in accordance with Section 23.4 of the 2016 revised IRR of RA No. 9184 pursuant to Section 23.1 thereof.

7.2. [If subcontracting is allowed during the contract implementation stage, state:] The Supplier may identify its subcontractor during the contract implementation stage. Subcontractors identified during the bidding may be changed during the implementation of this Contract. Subcontractors must submit the documentary requirements under Section 23.1 of the 2016 revised IRR of RA No. 9184 and comply with the eligibility criteria specified in ITB Clause 5 to the implementing or end-user unit.

7.3. Subcontracting of any portion of the Project does not relieve the Contractor of any liability

or obligation under the Contract. The Supplier will be responsible for the acts, defaults, and negligence of any subcontractor, its agents, servants, or workmen as fully as if these were the Contractor's own acts, defaults, or negligence, or those of its agents, servants, or workmen.

## **8. Pre-Bid Conference**

The Procuring Entity will hold a pre-bid conference for this Project on the specified date and time and either at its physical address {[insert if applicable] and/or through videoconferencing/webcasting} as indicated in paragraph 6 of the IB.

## **9. Clarification and Amendment of Bidding Documents**

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the IB, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

## **10. Documents Comprising the Bid: Eligibility and Technical Components**

10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in Section IX. Checklist of Technical and Financial Documents.

10.2. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. For Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

10.3. A valid PCAB License is required, and in case of joint ventures, a valid special PCAB License, and registration for the type and cost of the contract for this Project. Any additional type of Contractor license or permit shall be indicated in the BDS.

10.4. A List of Contractor's key personnel (e.g., Project Manager, Project Engineers, Materials Engineers, and Foremen) assigned to the contract to be bid, with their complete qualification and experience data shall be provided. These key personnel must meet the required minimum years of experience set in the BDS.

10.5. A List of Contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership, certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be, must meet the minimum requirements for the contract set in the BDS.

## **11. Documents Comprising the Bid: Financial Component**

11.1. The second bid envelope shall contain the financial documents for the Bid as specified in Section IX. Checklist of Technical and Financial Documents.

11.2. Any bid exceeding the ABC indicated in paragraph 1 of the IB shall not be accepted.

11.3. For Foreign-funded procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

## **12. Alternative Bids**

Bidders shall submit offers that comply with the requirements of the Bidding Documents, including the basic technical design as indicated in the drawings and specifications. Unless there is a value engineering clause in the BDS, alternative Bids shall not be accepted.

## **13. Bid Prices**

All bid prices for the given scope of work in the Project as awarded shall be considered as fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances as determined by the NEDA and approved by the GPPB pursuant to the revised Guidelines for Contract Price Escalation guidelines.

## **14. Bid and Payment Currencies**

14.1. Bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

14.2. Payment of the contract price shall be made in: [Select one, delete other/s]

a. Philippine Pesos.

b. [indicate currency if procurement involves a foreign-denominated bid as allowed by the Procuring Entity, which shall be tradeable or acceptable by the BSP.]

## **15. Bid Security**

15.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount indicated in the BDS, which shall be not less than the percentage of the ABC in accordance with the schedule in the BDS.

15.2. The Bid and bid security shall be valid until [indicate date]. Any bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

## **16. Sealing and Marking of Bids**

Each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission to the given website or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

## **17. Deadline for Submission of Bids**

The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the IB.

## **18. Opening and Preliminary Examination of Bids**

18.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 9 of the IB. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

18.2. The preliminary examination of Bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

## **19. Detailed Evaluation and Comparison of Bids**

19.1. The Procuring Entity's BAC shall immediately conduct a detailed evaluation of all Bids rated "passed" using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of 2016 revised IRR of RA No. 9184.

19.2. If the Project allows partial bids, all Bids and combinations of Bids as indicated in the BDS shall be received by the same deadline and opened and evaluated simultaneously so as to determine the Bid or combination of Bids offering the lowest calculated cost to the Procuring Entity. Bid Security as required by ITB Clause 16 shall be submitted for each contract (lot) separately.

19.3. In all cases, the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184 must be sufficient for the total of the ABCs for all the lots participated in by the prospective Bidder.

## **20. Post Qualification**

Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS), and other appropriate licenses and permits required by law and stated in the BDS.

## **21. Signing of the Contract**

The documents required in Section 37.2 of the 2016 revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the BDS.

Two - FINANCIAL COMPONENT</u>" and the outer envelope as "<u>COPY NO. One</u>" and "<u>COPY NO. Two</u>", respectively. These envelopes containing the original and the copies shall then be enclosed in <u>ONE SINGLE ENVELOPE</u>.</b></p>
17	<p>Bid submission maybe done manually or electronically/online. <b>However, bidders should only select one mode of submission, either manual or electronic.</b></p> <p>The address for receipt of Bids submitted manually is at <b>DE' &amp; ADE's Conference Room, DPWH Camarines Sur 1<sup>st</sup> DEO, Baras, Canaman, Camarines Sur</b></p> <p>The deadline for receipt of Bids is on <b><u>July 14, 2025, at 10:00 A.M</u></b></p> <p><b>For bids to be submitted electronically/online, the following procedures should be observed following D.O 87 - 2020:</b></p> <ol style="list-style-type: none"> <li> <p><b>1. Submission of electronic Official Receipt of purchase of the Bidding Documents</b></p> <p>Prior to the deadline of submission of bids, the prospective bidders shall send an e-mail with subject "<b>Official Receipt for [Insert Contract ID]</b>" to <b>[Insert dedicated e-mail address]</b>. Attached to the said email is the copy of the Official Receipt of purchase of bidding documents in Portable Document File (PDF) format with file name in the format "<b>&lt;PCAP ID&gt;_ &lt;CONTRACT ID&gt;_OfficialReceipt.pdf</b>".</p> <p>For example, the filename of the attached PDF containing the Official Receipt of the Contract with PCAB ID No. 12345, who intends to participate in the bidding of Contract ID No. 20Z00123 shall be "<b>12345_20Z00123_OfficialReceipt.pdf</b>". Further, the e-mail subject would be "Official Receipt for 20Z00123".</p> <p>In case a prospective bidder originally intends to join the bidding as Joint Venture (referred as "original bidder"), has been issued an Official Receipt of purchase of bidding documents and has submitted the electronic Official Receipt, but eventually decided to join the bidding with new members or as individual contractors (referred as "regrouped bidder"), or vice-versa, the "regrouped bidder" should purchase a new bidding document to be issued with the corresponding Official Receipt in their name and submit the electronic Official Receipt following the same procedures.</p> </li> <li> <p><b>2. Confirmation of the electronically submitted Official Receipt</b></p> <p>2.1 An e-mail shall be received by a prospective bidder confirming its successful submission of the Official Receipt as required under Item 1.</p> <p><b>Only the electronic bids of bidders who have successfully submitted an electronic Official Receipt shall be accepted.</b></p> </li> </ol>

2.2 An e-mail shall also be received by a prospective bidder in instances where their sent e-mail related to Item 1:

- a. Has incorrect subject Contract ID, which means that a corresponding folder with the same Contract ID does not exist in the eBid Portal;
- b. Has no attachment;
- c. Has an attachment but is not in the prescribe format;
- d. Has more than one (1) attachment; or
- e. Was received after the deadline of bid submission.

For the foregoing cases, the prospective bidders should rectify/correct the noted deficiency/ies to comply with the requirements under Item 1 for its electronic bid to be accepted.

### 3. Preparation and submission of an Electronic Bid

The prospective bidders shall prepare and submit their bids electronically following the steps prescribed under with D.O. 87 -2020 in accordance with GPPB Resolution No. 09-2020 as follows:

- a. Following GPPB Resolution No. 09-2020, a bidder has the option to submit bid electronically. **However, if a bidder chooses to submit an electronic bid, the same bidder can no longer submit a bid manually for the same contract, and vice versa.**
- b. Similar to manual submission, prospective bidders shall prepare their bids in **two (2) file folders**, each for the Technical and Financial Components. The file name of the Technical and Financial Components folders should be in format **<PCAB ID>\_<CONTRACT ID>\_TECHNICAL** and **<PCAB ID>\_<CONTRACT ID>\_FINANCIAL** (e.g. 12345 20Z00123 TECHNICAL, 12345 20Z00123 FINANCIAL).

Subsequently, each of the Technical and Financial Components file folders shall be **COMPRESSED, PASSWORD PROTECTED** and **NAMED** in the format **<PCAB ID>\_<CONTRACT ID>\_TECHNICAL.zip (or .rar/ .7z)** and **<PCAB ID>\_<CONTRACT ID>\_FINANCIAL.zip (or .rar/7z)**, respectively (20Z00123 TECHNICAL.zip, 12345 20Z00123 FINANCIAL. zip).

- c. Each file contained in the Technical and Financial Components file folders shall be in PDF format (either scanned or exported/published), with file name in the format **<PCAB ID>\_<CONTRACT ID>\_DescriptiveFilename.pdf** (e.g. 12345 20Z00123 PCABLicense.pdf, 12345 20Z00123 OmnibusSwornStatement.pdf).
- d. The compressed archive file folders of the Technical and Financial components shall be compiled in a **PASSWORD PROTECTED COMPRESS ARCHIVE MAIN FILE FOLDER** with filename in the format **<PCAB>\_<CONTRACT ID>\_Bid** (e.g. 12345 20Z00123 Bid).

In case the total file size of the main archive file folder is more than the allowable size of an attachment per e-mail of the prospective bidder's e-mail service provider (e.g. Gmail, Yahoo, Mail, Outlook), they shall need to split its electronic bid into two or more **PASSWORD PROTECTED COMPRESSED ARCHIVE MAIN FILE FOLDERS**.

- e. The e-mail submitting the prospective bidder's electronic bid should have a Subject in the format **"Bid Submission for [Insert Contract ID]"** (e.g. "Bid Submission for 20Z00123").

In case of multiple compressed archive main file folders, it shall be submitted in multiple e-mails, each with Subject in the format **"Bid Submission [Insert Number of main archive folder]/[Insert total number of main archive folders]"** (e.g. "Bid Submission 1/2 for 20Z00123" and "Bid Submission 2/2 for 20Z00123").

- f. The prospective bidder shall submit its electronic bid to [electronicbids\\_camarinessur1@dpwh.gov.ph](mailto:electronicbids_camarinessur1@dpwh.gov.ph) using the prospective bidder's email address registered in the Civil Works Application (CWA). In case prospective bidders are not yet registered, they can use any e-mail address, subject to the verification of the BAC Secretariat.

#### **4. Modification of an electronic bid**

If bidder wishes to modify its electronic bid, he may do so following the procedures in the manual submission of bid or he may choose to submit his modification electronically in the same format prescribed in the preparation and submission of an electronic bid, except that the subject of the e-mail submitting the bid modification shall be labelled "Bid Modification X for <Contract ID>", where "X" represents the number of bid modification submitted. For example, the subject of an e-mail submitting a first bid modification for Contract ID No. 20Z00123 should be "Bid Modification 1 for 20Z00123".

#### **5. Non-participation in the Bidding**

In case a prospective bidder that have purchased a bidding document decided not to participate, he may choose to submit his letter of nonparticipation manually or electronically. In case of electronic submission, the contractor shall send an e-mail with the Subject "Nonparticipation for <Contract ID>" with the letter of non-participation as attachment with file name "<PCAB ID>\_<CONTRACT ID>\_NonParticipation.pdf". This e-mail should be sent to [electronicbids\\_camarinessur1@dpwh.gov.ph](mailto:electronicbids_camarinessur1@dpwh.gov.ph) before the deadline for bid submission.

#### **6. Withdrawal of Electronic Bid**

Bids may be only withdrawn prior the deadline for bid submission. In case of withdrawal of an electronic bid, the bidder shall send an e-mail with the subject "Bid Withdrawal for <Contract ID>" and the letter of bid withdrawal in pdf format with file name "<PCAB ID>\_<CONTRACT ID>\_BidWithdrawal.pdf" shall be attached. This e-mail should be sent to [electronicbids\\_camarinessur1@dpwh.gov.ph](mailto:electronicbids_camarinessur1@dpwh.gov.ph) before the deadline for bid submission.

#### **7. Opening of the electronic bid**

	<p>Only during the actual opening of bids shall be bidder disclose the passwords for his electronic bid. This can be done by the bidder's authorized representative verbally in person, through phone call, online platforms (e.g. videoconferencing, webcasting), or through writing. In all cases, the bidders will have only three (3) attempts or fifteen (15) minutes, whichever comes first, to provide the correct password. Otherwise, the bidder shall be disqualified except in unforeseen justifiable circumstances. The bidder may also be subjected to the three-strike policy (D.O. 17, Series of 2015) as warranted by the circumstances.</p> <p>If the bidder chooses to disclose the password through phone call, he should make sure that the contract numbers as recorded in the Civil Works Application are open when the BAC call to ask for the password. The bidder may also choose to call the BAC number <b>(054) 881-1469</b> during the bid opening time and wait for the opening of his bid for him to disclose the password.</p> <p>If the bidder chooses to attend the bid opening through online conference, the bidder should join the meeting using the following link <b>(Youtube Page DPWH Camarines Sur 1st DEO - Procurement)</b></p> <p>If the bidder chooses to disclose the passwords through writing, the letters for password 1 (Main File Folder/Technical Component File Folder) and password 2 (Financial Component File Folder) should be enclosed in separate envelopes with the sender details (AMO, Bidder Name, Address) addressed to the BAC Chairperson, with the details of the bidding (Contract ID, Contract Name, Bid Opening Date and Time), signed and sealed, with a remark "Password [Insert 1 or 2]. Do not open before actual bid opening date and time".</p> <p>All electronic bids (Passwords protected compressed archive main file folder/s) shall be opened first for the opening of the Technical Component compressed archive folder/s. This shall be followed by the opening of bids submitted manually for the opening of the Technical Component Envelopes. The same procedures apply for the Financial Components compressed archive file folder/s and financial component envelopes.</p> <p>If the electronic bid or file within it was found to be damaged, could not be extracted or opened, the bid shall be considered "Failed".</p> <p>If the electronic bid is not password-protected or is not in the required format, the bid shall still be accepted provided that the bidder acknowledges such condition. The BAC shall assume no responsibility for the misplacement of the contents of the contents of the improperly sealed or marked bid, or improperly compressed or password-protected folder, or for its premature opening.</p> <p><b>8. File name convention in case of a Joint Venture Bidder</b></p> <p>For Joint Venture (JV), the format of PCAB ID to be use by the bidder in naming their files, folders and archives shall be "JV_&lt;PCAB ID of the Lead Member&gt;" For example, if three (3) Contractors with PCAB ID Nos. 12345 (lead member), 67890, and 24680 entered into a JV, the PCAB ID they must use is "JV-12345".</p>
19.2	No further instructions.

## ***Section IV. General Conditions of Contract***

## General Conditions of Contract

### 1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

### 2. Sectional Completion of Works

If sectional completion is specified in the **Special Conditions of Contract (SCC)**, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date shall apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).

### 3. Possession of Site

3.1 The Procuring Entity shall give possession of all or parts of the Site to the Contractor based on the schedule of delivery indicated in the **SCC**, which corresponds to the execution of the Works. If the Contractor suffers delay or incurs cost from failure on the part of the Procuring Entity to give possession in accordance with the terms of this clause, the Procuring Entity's Representative shall give the Contractor a Contract Time Extension and certify such sum as fair to cover the cost incurred, which sum shall be paid by Procuring Entity.

3.2 If possession of a portion is not given by the above date, the Procuring Entity will be deemed to have delayed the start of the relevant activities. The resulting adjustments in contract time to address such delay may be addressed through contract extension provided under Annex "E" of the 2016 revised IRR of RA No. 9184.

#### 4. The Contractor's Obligations

The Contractor shall employ the key personnel named in the Schedule of Key Personnel indicating their designation, in accordance with **ITB** Clause 10.3 and specified in the **BDS**, to carry out the supervision of the Works.

The Procuring Entity will approve any proposed replacement of key personnel only if their relevant qualifications and abilities are equal to or better than those of the personnel listed in the Schedule.

#### 5. Performance Security

- 5.1. Within ten (10) calendar days from receipt of the Notice of Award from the Procuring Entity but in no case later than the signing of the contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR.
- 5.2. The Contractor, by entering into the Contract with the Procuring Entity, acknowledges the right of the Procuring Entity to institute action pursuant to RA No. 3688 against any subcontractor be they an individual, firm, partnership, corporation, or association supplying the Contractor with labor, materials and/or equipment for the performance of this Contract.

#### 6. Site Investigation Reports

The Contractor, in preparing the Bid, shall rely on any Site Investigation Reports referred to in the **SCC** supplemented by any information obtained by the Contractor.

#### 7. Warranty

- 7.1. In case the Contractor fails to undertake the repair works under Section 62.2.2 of the 2016 revised IRR, the Procuring Entity shall forfeit its performance security, subject its property(ies) to attachment or garnishment proceedings, and perpetually disqualify it from participating in any public bidding. All payables of the GOP in his favor shall be offset to recover the costs.
- 7.2. The warranty against Structural Defects/Failures, except that occasioned-on force majeure, shall cover the period from the date of issuance of the Certificate of Final Acceptance by the Procuring Entity. Specific duration of the warranty is found in the **SCC**.

## 8. Liability of the Contractor

Subject to additional provisions, if any, set forth in the **SCC**, the Contractor's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Contractor is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

## 9. Termination for Other Causes

Contract termination shall be initiated in case it is determined *prima facie* by the Procuring Entity that the Contractor has engaged, before, or during the implementation of the contract, in unlawful deeds and behaviors relative to contract acquisition and implementation, such as, but not limited to corrupt, fraudulent, collusive, coercive, and obstructive practices as stated in **ITB** Clause 4.

## 10. Dayworks

Subject to the guidelines on Variation Order in Annex "E" of the 2016 revised IRR of RA No. 9184, and if applicable as indicated in the **SCC**, the Dayworks rates in the Contractor's Bid shall be used for small additional amounts of work only when the Procuring Entity's Representative has given written instructions in advance for additional work to be paid for in that way.

## 11. Program of Work

11.1. The Contractor shall submit to the Procuring Entity's Representative for approval the said Program of Work showing the general methods, arrangements, order, and timing for all the activities in the Works. The submissions of the Program of Work are indicated in the **SCC**.

11.2. The Contractor shall submit to the Procuring Entity's Representative for approval an updated Program of Work at intervals no longer than the period stated in the **SCC**. If the Contractor does not submit an updated Program of Work within this period, the Procuring Entity's Representative may withhold the amount stated in the **SCC** from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Program of Work has been submitted.

## 12. Instructions, Inspections and Audits

The Contractor shall permit the GOP or the Procuring Entity to inspect the Contractor's accounts and records relating to the performance of the Contractor and to have them audited by auditors of the GOP or the Procuring Entity, as may be required.

### 13. Advance Payment

The Procuring Entity shall, upon a written request of the Contractor which shall be submitted as a Contract document, make an advance payment to the Contractor in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum, or at the most two installments according to a schedule specified in the **SCC**, subject to the requirements in Annex "E" of the 2016 revised IRR of RA No. 9184.

### 14. Progress Payments

The Contractor may submit a request for payment for Work accomplished. Such requests for payment shall be verified and certified by the Procuring Entity's Representative/Project Engineer. Except as otherwise stipulated in the **SCC**, materials and equipment delivered on the site but not completely put in place shall not be included for payment.

### 15. Operating and Maintenance Manuals

15.1. If required, the Contractor will provide "as built" Drawings and/or operating and maintenance manuals as specified in the **SCC**.

15.2 If the Contractor does not provide the Drawings and/or manuals by the dates stated above, or they do not receive the Procuring Entity's Representative's approval, the Procuring Entity's Representative may withhold the amount stated in the **SCC** from payments due to the Contractor Contractor.

## ***SPECIAL CONDITIONS OF CONTRACT***

### ***Contract ID Number 25FD0103***

CONSTRUCTION OF CONCRETE ROAD, ZONE 1, LA PURISIMA, LUPI, CAMARINES SUR (PHASE I)

<b>GCC Clause</b>	
2	<i>Not applicable</i>
3.1	The Procuring Entity shall give possession of the Site to the Contractor upon the receipt of the Notice to Proceed.
6	The site investigation reports are: <i>None</i>
7.2	<p><i>[Select one, delete the other.]</i></p> <p><i>[In case of permanent structures, such as buildings of types 4 and 5 as classified under the National Building Code of the Philippines and other structures made of steel, iron, or concrete which comply with relevant structural codes (e.g., DPWH Standard Specifications), such as, but not limited to, steel/concrete bridges, flyovers, aircraft movement areas, ports, dams, tunnels, filtration and treatment plants, sewerage systems, power plants, transmission and communication towers, railway system, and other similar permanent structures:]</i> Fifteen (15) years.</p> <p><i>[In case of semi-permanent structures, such as buildings of types 1, 2, and 3 as classified under the National Building Code of the Philippines, concrete/asphalt roads, concrete river control, drainage, irrigation lined canals, river landing, deep wells, rock causeway, pedestrian overpass, and other similar semi-permanent structures:]</i> Five (5) years.</p> <p><i>[In case of other structures, such as bailey and wooden bridges, shallow wells, spring developments, and other similar structures:]</i> Two (2) years.</p>
10	Dayworks are applicable to the contract.
11.1	The Contractor shall submit the Program of Work to the Procuring Entity's Representative within Ten <u>(10)</u> days of delivery of the Notice of Award.
11.2	The amount to be withheld for late submission of an updated Program of Work is one percent (1%) of the progress billing.
13	The amount of the advance payment is <i>[insert amount as percentage of the contract price that shall not exceed 15% of the total contract price and schedule of payment]</i> .
14	Materials and equipment delivered on the site but not completely put in place shall be included for payment.
15.1	The date by which "as built" drawings are required is <b><i>thirty (30) calendar days from completion of the project.</i></b>
15.2	The amount to be withheld for failing to produce "as built" drawings and/or operating and maintenance manuals by the date required is <b><i>1% of the final Contract Price.</i></b>

## ***Section VI. SPECIFICATION***

# **SPECIFICATION**

## ***Contract ID Number 25FD0103***

### **CONSTRUCTION OF CONCRETE ROAD, ZONE 1, LA PURISIMA, LUPI, CAMARINES SUR (PHASE I)**

#### **1. DPWH Standards**

The **DPWH Standard Specifications for Public Works and Highways** (“Blue Book”) shall be the main basis for the standards and codes to be met by the goods and materials to be furnished and work performed or tested for the Contract. In particular, Volume II of the Blue Book shall be used if the Contract pertains to Highways, Bridges and Airports. Volume III of the Blue Book shall be used if the Contract pertains to Buildings, Flood Control and Drainage, or Water Supply. The Blue Book incorporates standards of the American Association of State Highway and Transportation Officials (AASHTO), American Society for Testing and Materials (ASTM), and American Concrete Institute (ACI), among others, pertaining to construction.

The Procuring Entity shall use the Standard Pay Items in the Project and Contract Management Application (PCMA) in drawing up the Specifications.

#### **2. Modifications of Standards**

- 2.1** Modifications of and additions to standards and codes as stated in the DPWH Standard Specifications for Public Works and Highways, if any, shall be included in the enclosed Supplemental Specifications, which is part of these Bidding Documents.
- 2.2** Entries in the Supplemental Specifications are numbered to coincide with the numbering of items in the DPWH Standard Specifications for Public Works and Highways.

## Bidders Checklist of Technical and Financial Documents

### I. TECHNICAL COMPONENT ENVELOPE

#### *Class "A" Documents*

##### Legal Documents

- ☐ (a) Valid PhilGEPS Registration Certificate (Platinum Membership) (all pages);

##### *Technical Documents*

- ☐ (b) Statement of the prospective bidder of all its ongoing government and private contracts, including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid; **and**
- ☐ (c) Statement of the bidder's Single Largest Completed Contract (SLCC) similar to the contract to be bid, except under conditions provided under the rules;  
**and**
- ☐ (d) Special PCAB License in case of Joint Ventures;  
**and** registration for the type and cost of the contract to be bid; **and**
- ☐ (e) Original copy of Bid Security. If in the form of a Surety Bond, submit also a certification issued by the Insurance Commission;  
**or**  
Original copy of Notarized Bid Securing Declaration; **and**
- ☐ (f) Project Requirements, which shall include the following:
- ☐ a. Organizational chart for the contract to be bid;
  - ☐ b. List of contractor's key personnel (*e.g.*, Project Manager, Project Engineers, Materials Engineers, and Foremen), to be assigned to the contract to be bid, with their complete qualification and experience data;
  - ☐ c. List of contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership or certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be; **and**
- ☐ (g) Original duly signed Omnibus Sworn Statement (OSS);  
**and** if applicable, Original Notarized Secretary's Certificate in case of a corporation, partnership, or cooperative; or Original Special Power of Attorney of all members of the joint venture giving full power and authority to its officer to sign the OSS and do acts to represent the Bidder.

Financial Documents

- ☐ (h) The prospective bidder's computation of Net Financial Contracting Capacity (NFCC).

***Class "B" Documents***

- ☐ (i) If applicable, duly signed joint venture agreement (JVA) in accordance with RA No. 4566 and its IRR in case the joint venture is already in existence;  
**or**  
duly notarized statements from all the potential joint venture partners stating that they will enter into and abide by the provisions of the JVA in the instance that the bid is successful.

**Bidders Checklist of Technical and Financial Documents**

**II. FINANCIAL COMPONENT ENVELOPE**

- ☐ (a) Original of duly signed and accomplished Financial Bid Form; **and**

Other documentary requirements under RA No. 9184

- ☐ (b) Original of duly signed Bid Prices in the Bill of Quantities; **and**  
☐ (c) Duly accomplished Detailed Estimates Form, including a summary sheet indicating the unit prices of construction materials, labor rates, and equipment rentals used in coming up with the Bid; **and**  
☐ (d) Cash Flow by Quarter.

Dear Sir/Madame:

Supplementing our Organizational Chart for the abovestated Contract, we submit, and certify as true and correct, the following information:

1. We have engaged the services of the following key personnel to perform the duties of the positions indicated in the abovestated Contract if it is awarded to us:

Proposed Position ( <i>as applicable</i> )	Name	Years of Experience	
		Total (Similar and Related)	Similar Position
Project Manager			
Project Engineer			
Materials Engineer			
Construction Safety Officer			
Foreman			
<i>Others (specify)</i>			

2. We submit the enclosed Curriculum Vitae and Affidavits of Commitment to Work on the Contract of these key personnel.
3. We ensure that the abovementioned personnel shall employ their best care, skill, and ability in performing the duties of their respective positions in accordance with the provisions of the Contract, including the Conditions of Contract, Specifications, and Drawings, and that they shall be personally present in the jobsite during the period of their assignment in the Contract.
4. In the event that we choose to replace any of the abovementioned key personnel, we shall submit to you in writing at least fourteen (14) days before making the replacement, for your approval, the name and biodata of the proposed replacement whose qualifications shall be equal to or better than that of the person to be replaced.
5. We understand that any violation of the abovestated conditions shall be a sufficient ground for us to be disqualified from this Contract and future biddings of the DPWH.

Very truly yours,

## PROJECT MANAGER'S CERTIFICATE OF EMPLOYMENT

\_\_\_\_\_ (Date)

The Honorable Secretary  
Department of Public Works and Highways  
\_\_\_\_\_ (Address)

Sir:

I am a licensed Civil Engineer with Professional License No. \_\_\_\_\_ issued on \_\_\_\_\_ at \_\_\_\_\_.

I hereby certify that \_\_\_\_\_ contracted my services as Project Manager on the \_\_\_\_\_, if awarded to him.

The following projects had been supervised by me as Project Manager (mention only projects of same nature as aforesaid Contract);

NAME OF PROJECT	OWNER	COST	DATE COMPLETED
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

At present, I am supervising the following on-going projects:

NAME OF PROJECT	OWNER	COST	% ACCOMPLISHED
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

In case of my separation for any reason whatsoever from the above-mentioned Contractor, I shall notify the Department of Public Works and Highways at least twenty-one (21) days before the effective date of my separation.

I have read carefully and will abide by the conditions required of me in the Contractor's Confidential Application Statement for Pre-qualification of the above Contractor.

As Project Manager, I know I will have to stay in the Project all the time to supervise and manage the Project to the best of my ability, and am aware that I am authorized to handle only one (1) project at a time.

I did not allow the use of my name for the purpose only of enabling the above-mentioned Contractor to qualify for the Project without any firm intention on my part to assume the post as Project Manager if the Project is awarded to him since I understand that to do so will be a sufficient ground for my disqualification as Project Manager in any future bidding or employment for any Contractor doing business with the Department of Public Works and Highways.

## MATERIALS ENGINEER'S CERTIFICATE OF EMPLOYMENT

\_\_\_\_\_ (Date)

The Honorable Secretary  
Department of Public Works and Highways

\_\_\_\_\_ (Address)

Sir:

I am a licensed Civil Engineer with Professional License No. \_\_\_\_\_ issued on \_\_\_\_\_ at \_\_\_\_\_.

I hereby certify that \_\_\_\_\_ contracted my services as Materials Engineer on the \_\_\_\_\_, if awarded to him.

The following projects had been supervised by me as Project Materials Engineer (mention only projects of same nature as aforesaid Contract);

NAME OF PROJECT	OWNER	COST	DATE COMPLETED
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

At present, I am supervising the following on-going projects:

NAME OF PROJECT	OWNER	COST	% ACCOMPLISHMENT
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

In case of my separation for any reason whatsoever from the above-mentioned Contractor, I shall notify the Department of Public Works and Highways at least TWENTY-ONE (21) days before the effective date of my separation.

I have read carefully and will abide by the conditions required of me in the Contractor's Confidential Application Statement for Pre-qualification of the above Contractor.

As Materials Engineer, I know I will have to stay in the Project all the time to supervise and manage the Project to the best of my ability, and am aware that I am authorized to handle only ONE (1) project at a time.

I did not allow the use of my name for the purpose only of enabling the above-mentioned Contractor to qualify for the Project without any firm intention on my part to assume the post as Materials Engineer if the Project is awarded to him since I understand that to do so will be a sufficient ground for my disqualification as Materials Engineer in any future bidding or employment for any Contractor doing business with the Department of Public Works and Highways.

## FOREMAN'S CERTIFICATE OF EMPLOYMENT

\_\_\_\_\_ (Date)

The Honorable Secretary  
Department of Public Works and Highways  
\_\_\_\_\_

(Address) Sir:

I hereby certify that Contractor\_\_\_\_\_has engaged my services  
as  
Foreman on the\_\_\_\_\_, if awarded to him.

The following projects had been supervised by me as Foreman (mention only projects of  
same nature as aforesaid Contract);

NAME OF PROJECT	OWNER	COST	DATE COMPLETED
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

At present, I am supervising the following on-going projects:

NAME OF PROJECT	OWNER	COST	% ACCOMPLISHED
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

I have read carefully and will abide by the conditions required of me in the Contractor's  
Confidential Application Statement for Pre-qualification of the above Contractor.

As Foreman, I know I will have to stay in the Project all the time to supervise and manage the  
Project to the best of my ability, and am aware that I am authorized to handle only one (1)  
project at a time.

In case of my separation for any reason whatsoever from the above-mentioned Contractor, I  
shall notify the Department of Public Works and Highways at least twenty-one (21) days  
before the effective date of my separation.

I did not allow the use of my name for the purpose only of enabling the above-mentioned Contractor to qualify for the Project without any firm intention on my part to assume the post as Foreman if the Project is awarded to him since I understand that to do so will be a sufficient ground for my disqualification as Foreman in any future bidding or employment for any Contractor doing business with the Department of Public Works and Highways.

OFFICE OF THE SECRETARY  
Manila

DEPARTMENT ORDER )  
NO. 90 )  
Series of 2002 )

SUBJECT: BOOKBINDING AND  
PAGING OF PRE-  
QUALIFICATIONS AND  
BID DOCUMENTS

In order to improve transparency and prevent any insinuation of impropriety in evaluation of contracts pre-qualification and bid documents, all implementing Offices concerned are hereby directed to include the following measures in the "invitation to pre qualify/Apply for Eligibility to Bid", Instructions to Bidders and to be taken up during Prebid conferences, to wit:

All prequalification and bid documents being required for submission must be properly book bound; and

The contents of which must be all numbered/paginated consecutively, the total number of which must be indicated in the covering and signed by the duly authorized representative.

This Order shall take effect immediately.

(Signed)  
**SIMEON A. DATUMANONG**  
Secretary

24 JAN 2017

Republic of the Philippines  
DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS  
OFFICE OF THE SECRETARY  
Manila

097.13 8 PWSH  
01-24-2017

DEPARTMENT ORDER )  
NO. 11 )  
Series of 2017 )

SUBJECT: **Inclusion of the Minimum Materials Testing Equipment In the Technical Component of the Bid**

Section 25.2.b) of the Revised IRR of RA 9184 requires, among other technical requirements, the inclusion of the list of contractor's major equipment units which are owned, leased, and/or under purchase agreement, supported by proof of ownership or certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be.

DPWH Procurement Manual Volume II-Infrastructure Main Guidelines specifically requires the submission of the materials testing equipment as stated in Clause 5.6.2.a) Technical Proposal and Clause 5.6.2.a.4.c) Project Requirements using Form DPWH-INFR-15: List of Contractor's Major Construction and Laboratory Equipment Units to be Assigned to the Contract Supported by Certifications of Availability.

Considering that materials testing equipment are essential during construction stage of a project, it shall therefore be included in the technical requirement of the Bid together with the other major equipment as contained in the Technical Envelope which shall be subjected to preliminary examination and further verified during the post-qualification stage.

This minimum materials testing equipment requirement shall be on a "per contractor" basis, and not on a "per project basis", i. e. the equipment maybe used to service several on-going projects of the contractors.

As such, the Implementing Offices are hereby directed to compel the contractors to comply with the prescribed Minimum Materials Testing Equipment and to utilize first their own laboratory testing equipment/facilities before engaging the services of private testing laboratories for required test out of their capacity to perform to ensure effective and better quality control of construction materials during the implementation of DPWH infrastructure projects.

Attached are the List of Minimum Materials Testing Equipment to be proposed for Small, Medium and Large Contractors. (Annex "A").

This Department Order supersedes Department Order No. 80, Series of 1990 and all other issuances (DO No. 8, Series of 1996 and DO 138, Series of 2015) relative thereto. This shall take effect fifteen (15) days after its last publication in the official gazette or newspaper of general circulation.

**RAUL C. ASIS**  
Undersecretary  
Officer-In-Charge

Concrete Measure 0.014 cu.m. cap. (1/2 cu.ft.)	Unit Weight	Concrete Aggregate
Straight Edge, Steel 300mm long	Laboratory Compaction	Soil Aggregate
CBR Apparatus complete with accessories (Mechanical)	Determination of California Bearing Ratio	Fine/Coarse/Crushed Aggregates, Stabilized Road Mix, Base Course, Treated Plant Mix, Base Course, Aggregate Surface Course
Field Density Test Set 1 - Sand Density Cone 1 - Jug, Glass or Plastic, 4-L capacity 1 - Density Plate 1 - Straight Edge 1 - Spoon 1 - 25 mm Chisel, Steel 1 - 4-L Field Can 1 - Mallet, rubber 1 - Scoop, sand	Field Density Test (FDT)	Excavated Materials, Embankment, Fine/Coarse/Crushed Aggregates, Compacted Base Course, Aggregate Surface Course
Auger, Post Hole, with two-m extension	Soil Sampling	Disturbed Soil Sampling
Cylinder, Glass, Double Graduated, 500ml. cap.	PL-LL Test	Excavated Materials, Embankment, Fine/Coarse/Crushed Aggregates, Compacted Base Course, Compacted Subbase Course, Aggregate Surface Course
Bowl, Mixing, 250mm dia.x90mm high	Aggregate and soil test sampling, Field Density Test	Excavated Materials, Embankment, Fine/Coarse/Crushed Aggregates, Compacted Base Course, Compacted Subbase Course, Aggregate Surface Course
Pan, Square, G.I. 600mmx600mmx75mm		
Spade or Shovel		
Pickaxe	Mixing of Fresh Concrete	Fresh Concrete Mix
Crowbar		
Concrete Mixer, Portable	Concrete Slump Test	Fresh Concrete Mix
Slump Test Set 1 - Slump Cone, Complete with base and tamping rod 1 - Trowel, Triangular or Rectangular blade, 90mmx180mm 1 - Scale		
Mold, Steel, Cylinder, 150mmx300mm	Compression Test	Fresh Concrete Mix
Mold, Steel Beam, 150mmx150mmx500mm	Flexural Test	Fresh Concrete Mix

### Minimum Materials Testing Equipment for Large Contractors

Equipment	Tests	Materials/Products
<b>Vertical Capping Set</b> 1 - Vertical Cylinder Capper with capping plate, 150mm diameter 1 - Capping compound warmer pot, 4-L cap. 1 - Capping ladle 1 - Carton capping compound	Capping of concrete cylinder sample	Hardened Concrete
Thermometer, Metal, dial type, 0-250°C	Temperature Monitor of Concrete & Asphalt	Concrete & Asphalt Mixes
Volumetric flask 500 ml cap. With stopper	Specific Gravity of Sand	Sand
Sand Absorption Cone and Tamper		
<b>Specific Gravity Test Set for Coarse Aggregate</b> 1 - Semi-automatic precision balance 5kg cap., 0.1g sensitivity 1 - Wire basket	Bulk Specific Gravity	Aggregates of Bituminous Mix, Asphalt Core, Fine/Coarse Aggregates,
Los Angeles Abrasion Machine complete with abrasive steel and #12 sieve	Abrasion Test of Aggregates	Coarse/Crushed Aggregates, Soil Aggregates, Aggregate Surface Course,
Oven, Field, with temperature control	Field Density Test (FDT)	Excavated Materials, Embankment, Fine/Coarse/Crushed Aggregates, Compacted Base Course, Compacted Subbase Course, Aggregate Surface Course
Compression Machine, portable	Compression Test	Fresh Concrete Mix
Concrete Beam Tester, Flexural	Flexural Test	Fresh Concrete Mix
Concrete Core Drilling Machine complete with accessories	In-situ Test for Concrete/Asphalt Pavement	Concrete/Asphalt Pavement
Extractor, Centrifuge or Reflux, 1500g cap.	Extraction	Bituminous Mix
Carbon Tetrachloride	Asphalt Content/Grading of Aggregates	Asphalt/Aggregate Materials in Bituminous Mix
Marshall Stability Apparatus complete with accessories	Marshall Stability Test/ Job mix of Asphalt	Asphalt Mix

Activity	Responsible Performer	Time Frame	Rules
		bids receipt	clarify items in the agenda and respond to queries/ comments from bidders. The BAC-Sec shall record the proceedings by audio facilities and manually.
4. Prepare the Minutes of the PBC	BAC-Sec	< 3 cd after PBC	Use <b>Form DPWH-INFR-26</b> .
5. Receive written requests for clarification before/after the PBC from prospective bidders	BAC-Sec	≤10 cd before deadline for bids receipt	
6. ## 5.6 **RECEIPT OF BIDS, OPENING AND PRELIMINARY EXAMINATION OF BIDS, AND ELIGIBILITY CHECK**

### 5.6.1 **Legal Reference**

IRR Section 23 sets the rules pertaining to eligibility check, Section 25 defines the rules for submission and receipt of bids, and Sections 29 to 31 prescribe the rules for opening and preliminary examination of bids.

### 5.6.2 **Receipt of Bids**

The Bidders should prepare their bids strictly in accordance with the requirements of the ITB and BDS as discussed in Sections 4.10 and 4.11 and ANNEXES II-1.1D and IA-1.1E of this DPM Volume II. These include the prescribed contents and forms of the Technical and Financial Components comprising each bid (Form DPWH-INFR-09), which are recapitulated below:

a. Technical Component This shall include the following:

(1) PhilGEPS Certificate of Registration and Membership in accordance with **Section 8.5.2 of the IRR**.

(2) a. If the bidder is not previously enrolled in the CWR: the bidder's Class "A" and Class "B" Documents not covered by the PhilGEPS Certificate, in accordance with Section 4.8.2 of this **DPM Volume II**. These Documents should include, among others, the following information required in **IRR Section 25.2b**:

i. Valid PCAB License or special PCAB License in case of joint ventures, and registration for the type and cost of the contract to be bid.

ii. Statement of all On-going Government and Private , including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid.

iii. Statement identifying the Bidder's SLCC similar to the contract to be bid.

iii. NFCC Computation and Statement of Total Assets and Total Liabilities

iv. JVA, if applicable

b. If the bidder is previously enrolled in the CWR but would like to update any of its Class "A" and Class "B" Documents in the CWR: the pertinent Documents to be updated.

(3) Bid Security in the prescribed form, amount and validity period (**Form DPWH-INFR-10, DPWH-INFR 11, or DPWH-INFR-12**).

(4) Project Requirements, which shall include the following:

a. Contractor's organizational chart for the contract to be bid (**Form DPWH-INFR-13**).

b. List of contractor's key personnel – e.g., Project Manager, Project Engineers, Materials Engineers, Construction Safety Officer, and Foremen - to be assigned to the contract, with their complete qualification and experience data (**Form DPWH-INFR-14**). These personnel must meet the required minimum years of experience set in the BDS.

c. List of contractor's major construction and laboratory equipment units to be used for the contract – which are owned, leased, and/or under purchase agreements, supported by certification of availability of the equipment from

the equipment lessor/vendor for the duration of the project (**Form DPWH-INF-15**). These equipment units must meet the minimum major equipment requirements for the contract set in the **BDS**.

- d. Omnibus sworn statement by the prospective bidder or its duly authorized representative as to the following, using **Form DPWH-INF-16 (IRR Section 25.3)**:
  - i. It is not "blacklisted" or barred from bidding by the government or any of its agencies, offices, corporations, or local government units (LGUs), including foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the GPPB.
  - ii. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct.
  - iii. It is authorizing the HoPE or his duly authorized representative(s) to verify all the documents submitted.
  - iv. The signatory is the duly authorized representative of the prospective bidder, and granted full power and authority to do, execute and perform any and all acts necessary and/or to represent the prospective bidder in the bidding, with the duly notarized Secretary's Certificate attesting to such fact, if the prospective bidder is a corporation, or duly notarized Special Power of Attorney in case of sole proprietorship, partnership or joint venture.
  - v. It complies with the disclosure provision under Section 47 of RA 9184 in relation to the provisions of RA 3019.
  - vi. It complies with the responsibilities of a bidder provided in the **BDS**.
  - vii. It complies with existing labor laws and standards.
  - viii. It did not give or pay any, directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement or activity.

i. **Financial Component**

- (1) Bid Form indicating the Total Bid Price, using **Form DPWH INF-09**.
- (2) Bid prices in the **Bill of Quantities (BOQ)** (Forms **DPWH-INF-16** and **DPWH-INF-18**).
- (3) Detailed estimates.
- (4) Cash flow by quarter (**Form DPWH-INF-19**).

The concerned BAC shall receive from the Bidders their bids in two (2) separate sealed bid envelopes which shall be submitted simultaneously. The first envelope shall contain the Technical Proposal, and the second envelope shall contain the Financial Proposal.

### 5.6.3 Time Frame for Receipt of Bids

Bids should be received by the BAC on or before the specified time and date of the deadline stated in the BDs, and within the following maximum periods from the date of advertisement of the IB up to the deadline for the receipt of bids (IRR Section 25.5):

**Table 13. Allowable Time for the Receipt of Bids**

Approved Budget for the Contract, in Pesos	Period from Date of IB Advt up to Deadline for Bids Receipt
Fifty (50) million and below	50 calendar days
Above fifty (50) million	65 calendar days

Bids submitted after the specified deadline shall not be received by the BAC. The BAC shall record in the minutes the bidder's name, its representative, and the time the late bid was submitted (IRR Section 25.5).

To ensure transparency and accurate presentation of the bids submission, the BAC, through its Secretariat, shall notify, in writing, all bidders whose bids it has received. The notice shall be issued within seven (7) calendar days from the date of bid opening (IRR Section 25.6).

The original copy of the Bid Form shall be typed or written in ink and shall be signed by the bidder or its duly authorized representative (IRR Section 25.7).

Bid envelopes that are not properly sealed and marked, as required in the BDs, shall not be rejected, but the bidder or its duly authorized representative shall acknowledge such condition of the bid as submitted. The BAC or the Procuring Entity shall assume no responsibility for the misplacement of the contents of the unsealed or improperly marked bid, or for its premature opening (IRR Section 25.8).

In case of unforeseeable or unavoidable circumstances, the BAC may re-schedule the deadline for the receipt and opening of bids through the issuance of a Bid Bulletin, which shall be posted in the DPWH and PhilGEPS websites and at any conspicuous place for the purpose at least one (1) day before the new schedule.

### 5.6.4 Modification and Withdrawal of Bids

A bidder shall be allowed to modify its bid, provided that this is done before the deadline for the submission and receipt of bids. Where a bidder modifies its bid, it shall not be allowed to retrieve its original bid, but shall only be allowed to send another bid equally sealed, properly identified, linked to its original bid and marked as a "modification," thereof, and stamped "received" by the BAC. Bid modifications submitted after the applicable deadline shall not be considered and shall be returned to the bidder unopened.

A bidder may, through a letter, be allowed to withdraw its bid before the deadline for the receipt of bids. Withdrawal of bids after the applicable deadline shall be subject to appropriate sanctions

09-18-2014

DEPARTMENT ORDER )

NO. **98** )

Series of 2014 )

SUBJECT: Submission of Construction Safety  
and Health Program Approved by the  
Department of Labor and  
Employment (DOLE)

It has been observed that processing and approval of Civil Works contract for some Infrastructure Projects were delayed due to late submission by the contractor of the Construction Safety and Health Program approved by the DOLE as part of the contract documents required prior to contract approval as stipulated under Section 37.2.3.g. of the revised IRR of RA 9184, thus delaying the project implementation and greatly affecting the absorptive capacity of the Department.

Henceforth, in order to facilitate the implementation of infrastructure projects for timely completion and early benefits of the public and attaining compliance by the DPWH of the target absorptive capacity, the contractor may submit only a copy of the Construction Safety and Health Program duly received by the DOLE prior to the contract approval, provided that the approved Construction Safety and Health Program should be submitted by the contractor to the Implementing Office concerned during the implementation stage, but not later than on the date the contractor files claim for advance payment or first progress billing.

This Order takes effect immediately.

### Revised Implementing Rules and Regulations

---

Responsive Bid, when the Treaty or International or Executive Agreement expressly allows submission of the PCAB license and registration for the type and cost of the contract to be as a precondition to the Notice of Award;

- b) Posting of performance security in accordance with Section 39 of this IRR;
- c) Signing of the contract as provided in Section 37.2 of this IRR; and
- d) Approval by higher authority, if required, as provided in Section 37.3 of this IRR.

37.1.5. Contract award shall be made within the bid validity period provided in Section 26 of this IRR.

37.1.6. The BAC, through the Secretariat, shall post, within three (3) calendar days from its issuance, the Notice of Award in the PhilGEPS, the website of the procuring entity, if any, and any conspicuous place in the premises of the procuring entity.

#### 37.2. Contract Signing

37.2.1. The winning bidder shall post the required Performance Security and enter into contract with the procuring entity within ten (10) calendar days from receipt by the winning bidder of the Notice of Award.

37.2.2. The procuring entity shall enter into contract with the winning bidder within the same ten (10) day period provided that all the documentary requirements are complied with.

37.2.3. The following documents shall form part of the contract:

- a) Contract Agreement;
- b) Bidding Documents;
- c) Winning bidder's bid, including the Eligibility requirements, Technical and Financial Proposals, and all other documents/statements submitted;
- d) Performance Security;
- e) Credit line in accordance with the provisions of this IRR, if applicable;
- f) Notice of Award of Contract; and
- g) Other contract documents that may be required by existing laws and/or the procuring entity concerned in the Bidding Documents, such as the construction schedule and S-curve, manpower schedule, construction methods, equipment utilization schedule, construction safety and health program approved by the Department of Labor and Employment, and PERT/CPM for infrastructure projects.

#### 37.3. Contract Approval by Higher Authority

When further approval of higher authority is required, the approving authority for the contract or his duly authorized representative shall be given a maximum of fifteen (15) calendar days from receipt thereof to approve or disapprove it. However, for infrastructure projects with an ABC of Fifty Million Pesos (P50,000,000) and below, the maximum period is five (5) calendar days. In the case of GOCCs, the concerned

OF-27-2016

DEPARTMENT ORDER )  
NO. **98** )  
Series of 2016 )

**SUBJECT : REVISED GUIDELINES ON THE  
ACCREDITATION OF CONTRACTORS'/  
CONSULTANTS' MATERIALS ENGINEERS**

To ensure that only qualified and competent materials engineers will be assigned by contractors and consultants to DPWH projects despite the significant increase in the number of projects to be implemented by the Department, these Revised Guidelines on the Accreditation of Contractors'/Consultants' Materials Engineers are hereby prescribed.

### 1.0 CRITERIA FOR ACCREDITATION

The following criteria shall be applied in the evaluation for accreditation of Contractors'/Consultants' Materials Engineers:

#### 1.1 Minimum Requirement

As a minimum requirement for accreditation of materials engineers, the applicant must be a registered and licensed Civil Engineer. This minimum requirement may be extended to foreign applicants.

#### 1.2 Written Examination

A written examination shall be administered to all the applicants. The raw score obtained in the examination shall be converted to percentage (100% maximum) to obtain the total score for accreditation.

#### 1.3 Practical Examination

Practical examination shall be administered to an accredited Materials Engineer I applying for upgrading to Materials Engineer II. It shall be conducted at the Bureau of Research and Standards (BRS) Office in Quezon City or at a selected/identified DPWH Regional Office.

#### 1.4 DPWH Engineers and other government engineers are prohibited from taking the examination for the accreditation of Contractors'/Consultants' Materials Engineers to prevent private entities from engaging the services of the former while still employed by the government.

#### 1.5 Accredited DPWH Materials Engineers who retired or decided to leave DPWH may be considered as Contractors'/Consultants' Materials Engineers corresponding to their rank upon request.

- 1.6 Other government engineers who were previously accredited as Contractors'/Consultants' Materials Engineers but whose accreditations were revoked per Department Order No. 60, Series of 2003 may be reinstated as Contractors'/Consultants' Materials Engineers corresponding to their rank after separation from the government service upon their request, subject to the approval of the Secretary upon recommendation of the Accreditation Committee.

## 2.0 PROCEDURE FOR ACCREDITATION

### 2.1 Accreditation Requirements

Upon application for accreditation, the following must be submitted to the Accreditation Committee, thru the Chief of the Quality Assurance and Hydrology Division of any DPWH Regional Office.

- a. Duly accomplished application form that can be downloaded through DPWH Website ([www.dpwhnet.gov.ph](http://www.dpwhnet.gov.ph)) or can be secured from any DPWH Regional Office.
- b. Photo copy of Professional Regulation Commission (PRC) identification card.
- c. Two (2) passport size (2" x 2") photographs, one of which should be pasted in the application form.

### 2.2 Accreditation Examination

- a. An accreditation examination shall be administered to all qualified applicants. Two (2) examinations per year to be held on the second Saturday of March and September will be given simultaneously in Manila, Cebu City and Davao City.
- b. Applicants who applied but failed to take the examination three (3) times without valid explanation shall be barred perpetually from taking the examination.

### 2.3 Issuance of Certificate of Accreditation

- a. A Certificate of Accreditation and an Accreditation I.D. will be issued to all applicants who meet the accreditation criteria.
- b. The Certificate of Accreditation, unless revoked or suspended for cause, shall be valid for three (3) years from the date it was issued, and shall be renewed thereafter.

## 3.0 RENEWAL AND UPGRADING OF ACCREDITATION

- 3.1 Renewal of certificate of accreditation of materials engineers **working abroad** is not allowed. Likewise, materials engineers working in the Philippines should file their application for renewal of their accreditation certificate **personally** by presenting their valid original Professional Regulation Commission (PRC) identification card.
- 3.2 Request for upgrading of classification, renewal of accreditation certificate and reinstatement of accreditation must be addressed to the Chairman, Accreditation Committee for DPWH and Contractors'/Consultants' Materials Engineers, Attention: The Director IV, BR5, EDSA, Diliman, Quezon City. The Committee which was created to accredit DPWH and Contractors'/Consultants' Materials Engineers shall carry out the evaluation for accreditation and recommend the issuance of certificates of accreditation for approval of the Secretary.

#### **4.0 CLASSIFICATION OF CONTRACTORS'/CONSULTANTS' MATERIALS ENGINEERS**

- 4.1 Materials Engineers shall be classified according to the results of Written and Practical Examinations.

4.1.1 Written Examination

Applicants who got a score of 60% and above are automatically accredited as Materials Engineer I.

4.1.2 Practical Examinations

(For upgrading from Materials Engineer I to Materials II only)

a. Laboratory

The applicants will be required to demonstrate the actual sampling and testing procedures of construction materials in accordance with the existing standards to determine their testing capability.

b. Field

The applicants will be required to demonstrate the actual implementation of quality control supervision and decision making in the project.

- 4.2 Accredited Materials Engineer I may be upgraded to Materials Engineer II by undergoing only a Practical Examination and not a written examination. Applicants must obtain a total score of at least 75% in the Practical Examination to qualify as Materials Engineer II.
- 4.3 Accredited Materials Engineer I who applied for upgrading but failed to be upgraded to Materials Engineer II after two (2) successive attempts is barred from taking the Practical Examination for one (1) year and should take a refresher course related to Materials Quality Control.
- 4.4 An accredited Contractors'/Consultants' Materials Engineer who enters the government service and wishes to be accredited as DPWH Materials Engineer may apply for accreditation. His/her score in the written examination will be considered and he/she must undergo the practical examination. However, in the case of upgraded Materials Engineer II who have undergone practical examination, he/she will be automatically conferred the same rank.
- 4.5 DPWH engineers who took the DPWH Materials Engineers examination and got a score of 60% and above but are separated from government service can be accredited as Contractors'/Consultants' Materials Engineers I, without undergoing practical examination for Contractors'/Consultants' Materials Engineers.

#### **5.0 CRITERIA FOR THE ASSIGNMENT OF CONTRACTORS'/CONSULTANTS' MATERIALS ENGINEERS**

Accredited materials engineers may be assigned to DPWH projects, subject to the following limits of assignment:

Classification

Limits of Assignment

- |                          |  |
|--------------------------|--|
| a. Materials Engineer I  | - One (1) project costing not more than P150M, or<br>- Two (2) projects, with an aggregate cost of not more than P250M, or<br>- Three (3) projects, with an aggregate cost of not more than P200M. |
| b. Materials Engineer II | - One (1) project, no cost limit, or<br>- Two (2) projects, with an aggregate cost of not more than P300M, or<br>- Three (3) projects, with an aggregate cost of not more than P250M.              |

Non-accredited materials engineers may be assigned to three (3) projects, with an aggregate cost of P15.0M or below.

This Order shall take effect immediately and supersedes the following issuances:

1. Department Order No. 184, Series of 1999
2. Department Order No. 60, Series of 2003
3. Department Order No. 55, Series of 2012

09-15-2017

14 SEP 2017

DEPARTMENT ORDER )  
NO. **117** )  
Series of 2017 )

**SUBJECT: Revised Guidelines for the Determination of Major and Similar Categories of Work and Eligibility Requirements for Work Experience in the Procurement of Infrastructure Contracts**

In compliance with Section 23.4.2.4 of Implementing Rules and Regulations of Republic Act 9184 stating that *"the Prospective Bidder must have completed a Single Largest Completed Contract (SLCC) that is similar to the contract to be bid, and whose value, adjusted to current prices using the Philippine Statistics Authority (PSA) consumer price indices, must be at least fifty percent (50%) of the Approved Budget for the Contract (ABC) to be bid,"* the concerned DPWH Procuring Entities and Implementing Units shall use the guidelines in this Department Order to determine the work experience on contracts similar to the contract to be bid that a bidder/contractor must possess to be considered eligible to bid for an infrastructure contract involving different categories of works.

**A. DEFINITION OF TERMS:**

The following terms shall be interpreted in this Department Order as defined:

1. **Major Category of Works** - the main classification of works, for purposes of evaluation of eligibility for civil works, according to type of infrastructure and kind of work performed - e.g. road construction, or bridge rehabilitation, etc.
2. **Similar Category of Works** - a kind of work whose classification is considered to be comparable to the major category of works for purposes of evaluation of eligibility for civil works.
3. **Construction** - the process of building a new infrastructure or facility, such as road, bridge, flood control or building.
4. **Improvement** - the betterment of existing infrastructure through upgrading, widening, or strengthening (e.g., retrofitting) in order to increase its original design capacity or performance.
5. **Rehabilitation** - a grouping of types of works which restore structural capacity and performance, and/or enhance safety. These types of works are applicable to infrastructure in poor or bad condition. In the case of pavement, this shall not extend to the subgrade. In the case of flood control, this includes dredging.
6. **Retrofitting** - a grouping of types of work associated with strengthening of existing structures to comply with the latest standards, usually with the aid of new technology or introduction of new features to the old design.

7. **Maintenance** – an activity undertaken to keep or restore an asset to good working condition.
8. **Qualifier** - an additional specific requirement on Major or Similar Categories of Work, to be required from the bidders at the bidding stage, to show that they have the necessary expertise and experience to undertake the project (e.g., an extraordinarily large embankment volume, soft ground treatment, long tunnel using tunnel boring machine (TBM), or bridge retrofitting using special jacking technology).
9. **Contract** - is an enforceable agreement between two or more participants or persons.

**B. LIST OF MAJOR CATEGORIES OF WORKS AND SIMILAR CATEGORIES OF WORKS AND VERIFICATION OF QUALIFIERS**

1. In the procurement of infrastructure contracts, the DPWH Procuring Entities and Implementing Units concerned shall use the Major Categories of Works and Similar Categories of Works listed in **ANNEX A**. In determining the work experience of a contractor for a particular contract which involves a given set of Major Categories of Works (columns 1 and 2), the Procuring Entity shall consider the contractor's relevant work experience, not only for the Major Category of Work itself, but also for the corresponding Similar Categories of Works (columns 3 and 4) listed in **ANNEX A**.
2. Similar Categories of Work with asterisk marks (\*) in column 4 of **ANNEX A** refer to those used in the DPWH Civil Works Application (CWA) prior to the adoption of the Department Order (DO) No. 14, series 2017.
3. Examples of Qualifiers, as defined in item A-8 above, are given in **ANNEX B**.
4. The verification or validation of compliance with the Qualifiers shall be undertaken during the post-qualification of the bidder with the Lowest Calculated Bid, and not during the Eligibility Check.

### **C. CRITERIA FOR DETERMINATION OF MAJOR/SIMILAR CATEGORIES OF WORKS AND ELIGIBILITY REQUIREMENTS FOR WORK EXPERIENCE**

1. For a contract involving a single category of works (i.e., type of infrastructure and kind of work) - e.g., road construction, or bridge retrofitting, or flood control rehabilitation - the following criteria shall be adopted:
  - a. The Major Category of Works is the single category itself.
  - b. To be eligible to bid for the contract, a bidder/contractor must have done a Single Largest Completed Contract (SLCC) containing a category of work which is the same as or similar to the Major Category of Works, and whose total SLCC cost is at least 50% of the Approved Budget for the Contract (ABC) to be bid.
2. For a contract to be bid involving multiple categories of works - e.g., combination of road construction, bridge retrofitting, and flood control rehabilitation - the following criteria shall be adopted:
  - a. Each category of works whose cost is at least 40% of the ABC shall be considered a Major Category of Works. In case no category of works is at least 40% of the ABC, the category with the highest percentage cost of the ABC shall be considered as the only Major Category of Work. If there are more than one category with the highest percentage cost less than 40% of ABC (say both 39% of the ABC), both categories shall be considered "Major Categories of Work".
  - b. To be eligible to bid for the contract, a bidder/contractor must have done a Single Largest Completed Contract (SLCC) complying with the following work experience requirements:
    - (1) The contractor must have undertaken a SLCC similar to the contract to be bid. To be so considered similar, the SLCC must contain categories of work which are the same as or similar to the Major Categories of Works of the contract to be bid.
    - (2) The total cost of the SLCC must be at least 50% of the total ABC to be bid.

**ANNEX C** shows an illustrative example in the determination of Major Categories of Works and in checking the work experience eligibility for a contract involving multiple categories of works.

**D. PROCEDURE IN THE DETERMINATION OF MAJOR AND SIMILAR WORK CATEGORIES AND IN THE ELIGIBILITY CHECK USING THE CIVIL WORKS APPLICATION**

1. Section 30.1 of the 2016 Implementing Rules and Regulations of the Republic Act 9184 states, among others, "The BAC shall open the first envelopes (technical envelopes) in public to determine each bidder's compliance with the documents required to be submitted for eligibility and for the technical requirements as prescribed in the said IRR". After opening the first envelope, the BAC shall simultaneously conduct the electronic eligibility check and preliminary examination of the Technical components of the bids.
2. For electronic eligibility check of a specific contract to be bld, the BAC with the assistance of the Technical Working Group, through the CWA, shall encode the Contract Profile (Form DPWH-INFRA 08) submitted by the Implementing Office - i.e., Major Category(ies) of Works, unit of measure, dimensions, and cost estimate per category of the ABC. The estimated cost of each Major Category of Work should include the cost of the minor items related to or proportionately distributed to it. The proportionate distribution shall be based on the weighted percentage of the major items. The corresponding Similar Category(ies) of Work for each Major Category of Work shall be automatically selected by the CWA based on **ANNEX A**.
3. In case a bidder is already enrolled in the CWA and submits, together with its technical bid, the updated documents - i.e., Class "A" and Class "B" documents, the BAC shall immediately forward copies of Class "A" and Class "B" documents (stamped Certified True Copy by the BAC Secretariat of the procuring entity), for updating to the Procurement Service to encode into the CWA the appropriate data and information - e.g., PCAB License, SLCC, Net Financial Contracting Capacity (NFCC), etc. - from the submitted Eligibility Documents. Without interrupting the bidding process, the BAC shall manually evaluate bidder's eligibility as to their submitted Class "A" and Class "B" Documents. If found passed in the preliminary examination and eligibility evaluation, the BAC shall proceed with the opening of the bidder's 2<sup>nd</sup> Envelope. Consequently, the BAC shall conduct the electronic eligibility processing of the previously enrolled bidders in the CWA. The BAC shall also declare that upon approval of the application of registration and unlocking of subject contract ID in the CWA, the bidder will be subjected to electronic eligibility processing. Result of latest electronic eligibility processing shall prevail over the manual eligibility evaluation.
4. In case a bidder is not previously enrolled in the CWA and submits its Eligibility Documents - i.e., Class "A" and Class "B" Documents - as part of its bid, the BAC shall do the same process indicated in the above Item 3.
5. In both cases (Items D-3 and D-4), the CWA program will then electronically process and compare (a) the bidder's work experience eligibility data in the CWA - i.e., the value of the bidder's SLCC for Major and Similar Categories of Works - against (b) the eligibility requirements for the contract derived from the Contract Profile earlier entered into the CWA - using the criteria in Item C above. The computer program will automatically determine if the bidder meets the work experience eligibility requirements.

6. The CWA will show the validity date of the legal documents and its corresponding registration/certificate numbers. As to financial aspects, the CWA will automatically compute the Net Financial Contracting Capacity of a bidder.
7. The Lowest Calculated Bid shall undergo post-qualification in order to determine whether the bidder concerned complies with and is responsive to all the requirements and conditions as specified in the Bidding Documents. During the post-qualification, the BAC shall verify, validate, and ascertain all statements made and documents submitted by the bidder with the Lowest Calculated Bid, using non-discretionary criteria, as stated in the Bidding Documents.
8. The category of work used during the Eligibility Check shall be the same category when the project is completed, accepted and included in the database under the contractor's list of completed projects. This category shall be reflected in the Contractor's Information (CI) which is attached to the Contractor's Registration Certificate (CRC).

#### **E. DETERMINATION OF A QUALIFIER**

As defined in item C.2.a above, each category of works whose cost is at least 40% of the ABC shall be considered a Major Category of Works. However, for Categories of Work costing less than 40% but not less than 30% of the ABC, the Procuring Entity shall specify in the Bidding document, specifically in the Eligibility Data Sheet (EDS), a Qualifier for the contract to be bid

The Procuring Entity shall also specify a Qualifier for the Contract to be bid, if the Contract to be bid contains items requiring **Special Technology** or **Large Volume of Works**.

#### **F. MODIFICATION OF MAJOR AND SIMILAR CATEGORIES OF WORK**

The Committee on the Evaluation on Major Work Categories in the Civil Works Application, under D.O. 120 series of 2015, is hereby authorized to modify any Item in the Table of Major Work and Similar Categories of Work in Annex A of this Department Order, as well as other related Annexes therein, as necessary to suit changes in construction industry practices.

## G. EFFECTIVITY

This Order supersedes Department Orders No. 139 and 173, series of 2016, and Department Order No. 14, series 2017 and shall take effect fifteen (15) calendar days after publication thereof in a newspaper of general circulation.

**MARK A. VILLAR**

Secretary

Department of Public Works and Highways  
Office of the Secretary

12.1.1 EED/MNC/MVSG/DNEP

**ANNEX A**

\* Old Categories of Works which are retained in the CWA but shall not to be used as Major Categories of Works of the Contract to be Bid in the Preparation of Contract Profile (NR002). The major categories of works shall be selected from columns 1 and 2 (Category of Work Code and Work Description, respectively)

\*\* Drainage facilities along road that serves to remove water from the road and its immediate surroundings only shall not be treated as separate flood control category (FCN)

In applying the Major and Similar Categories of Work given in Annex A, the following types of infrastructure are considered similar to the basic types of each other.

Basic Types	Similar Types
Road	Highway, tollway, expressway, airport runway, taxiway
Bridge	Flyover, viaduct, elevated railway, interchange, piers and ports
Building	School, hospital, housing, commercial building, industrial building, warehouse
Tunnel	Subway, mining tunnel, subsurface aqueduct
Water Supply	Irrigation dam, power dam

## ANNEX B EXAMPLES OF QUALIFIER

**Note:** The contents of this ANNEX B are illustrative examples of Qualifiers and not necessarily to be adopted for specific projects. Actual Qualifiers to be used shall be recommended on a project-to-project basis by the concerned implementing office, depending on the requirements of the particular projects under consideration.

CATEGORY	EXAMPLE OF QUALIFIER
Bridges: Construction - Steel - with Driven Piles	Must include major structural steel components of both substructure and superstructure (e.g., piles, girders, truss members) comprising at least a total of say 20% of project cost
Bridges: Construction - Steel - with Cast-in-Place Piles	Must include major structural concrete components of both substructure and superstructure. (e.g., piles, girders, truss members) comprising at least 20% of the item of work of the project.
Bridges: Construction - Concrete - with Driven Piles	Must include major structural components of both substructure and superstructure. (e.g., piles, girders, truss members) comprising at least 20% of the item of work of the project.
Bridges: Construction - Concrete - with Cast-in-Place Piles	Must include major structural components of both substructure and superstructure. (e.g. piles, girders, truss members) comprising at least 20% of the item of work of the project.
Roads: Construction - PCDP	Must have completed reconstruction and reblocking including base course covering 50% of the item of work of the project. May include Airport Runways, taxiways and Aprons
Tunnel: Construction	Must have completed underground/subsurface facilities using Tunnel Boring Machine: Construction (Subway, Mining, Water Irrigation Aqueduct)
Roads: Construction - Slope Protection using Structural Measures (e.g. Revetment, Retaining structures, Wirenet)	Bidder must have completed: 1. At least one (1) contract that is similar to the following works among others: a. Stone Masonry b. Retaining Wall c. Grouted Riprap d. Geosynthetic 2. Similar slope protection works with at least 50% of the item of work of the project.
Traffic Engineering and Management System	Must have completed channelization, signalization, traffic signs, road furniture, barricades, highway/road lighting
Relocation of Utilities (specific scope of works)	Included in this new category are the installation, removal/relocation of electrical posts, water utilities, transmission lines, telephone utilities, communication towers, etc.
Flood Control: Construction - Gates	Specify the type of gate (e.g. sluice gate, navigational gate, tidal gate and weir, flap gate)
Flood Control: Construction - Retarding Basin	Bidder must have completed at least one (1) similar contract on earthmoving (excavation and embankment) involving at least 50% of the item of work of the project.
Flood Control: Construction - Shore Protection (Seawall, Breakwater)	Bidder must have completed: 1. At least one (1) contract that is similar to the following ports and harbors projects to be bid, and; 2. Similar shore protection works with at least 50% of the item of work of the projects a. Coastal Dike b. Causeway c. Wharf
Flood Control: Construction - Slope Protection using non-structural measures (e.g.	Bidder must have completed: 1. At least one (1) contract that is similar to the following measures among others: a. Coconut (Sodding)

CATEGORY	EXAMPLE OF QUALIFIER
vetiver, coconet, other vegetation)  Flood Control: Construction - Slope Protection using Structural Measures (e.g. Revetment, Retaining structures, Wirenet)	<ul style="list-style-type: none"> <li>b. Vetiver Grass</li> </ul> <p>2. Similar slope protection works with at least 50% of the item of work of the project.</p> <p>Bidder must have completed:</p> <ul style="list-style-type: none"> <li>1. At least one (1) contract that is similar to the following works among others: <ul style="list-style-type: none"> <li>a. Concrete Revetment, Gablon Revetment</li> <li>c. Wire net</li> <li>d. Stone Masonry</li> <li>e. Retaining Wall/Floodwall</li> <li>f. Grouted Riprap</li> <li>g. Geosynthetic</li> </ul> </li> <li>2. Similar slope protection works with at least 50% of item of work of the project.</li> </ul>
Flood Control: Construction - Dams	<p>Bidder must have completed:</p> <ul style="list-style-type: none"> <li>1. At least one (1) contract that is similar to the following sediment control (sabo) dam and irrigation projects to be bid, and;</li> <li>2. Similar sediment control (sabo) dam and irrigation works with at least 50% of the items of work of the project. <ul style="list-style-type: none"> <li>a. Sediment Control (Sabo) Dam</li> <li>b. Irrigation Dam</li> <li>c. Small Water Impounding Management (SWIM) Dam (Height&lt;15m)</li> <li>d. Water Supply/ Flood Control Dams (Height&gt;15m)</li> <li>e. Specify requirements for height and volume for special projects. e.g. Concrete Dam with at least 50% of the required volume of concrete.</li> </ul> </li> </ul>
Flood Control: Maintenance - Dredging, Desilting, River Rechanneling/Excavation Works	<p>Bidder must have an experience on:</p> <ul style="list-style-type: none"> <li>1. Completed at least one (1) contract that has similar channel excavation/ dredging projects to be bid, and;</li> <li>2. Similar channel excavation/dredging works with at least 50% of items of work of the project.</li> </ul>
Flood Control: Construction - Channel Excavation	Must have completed similar channel excavation/dredging works with at least 50% of volume of work of the project.
Harbors, Dredging	Must have completed similar channel excavation/dredging works with at least 50% of volume/quantity of work of the project.
Flood Control: Construction - Drainage (Closed and open)	Must have completed road construction with drainage component or water supply (Levels 2 & 3): construction with water pipe or sewer pipes
Flood Control: Construction - Pumping Station	Must have experience in electromechanical works
Flood Control: Construction - Dikes/Levees	Include the type of material (concrete, gabion, etc.)
Water Supply (Level 1): Construction	<p>Bidder must have an experience on similar flood control projects and water supply projects with 50% of items of work of the project, e.g.:</p> <ul style="list-style-type: none"> <li>a. Dugwell</li> <li>b. Reservoir</li> <li>c. Water Works System</li> <li>d. Water Source Development</li> <li>e. Water Treatment System</li> <li>f. Water tank</li> </ul>
Water Supply (Level 2 & 3). Construction	Must have completed Pressurized Pipes/Closed Conduits
Ports/Harbors: Construction - Causeway/Wharf - with Driven Piles	<p>Bidder must have similar experience on bridge construction/river control and shore protection projects with 50% of items of work of the project, e.g.:</p> <ul style="list-style-type: none"> <li>a. Causeway</li> <li>b. Wharfs</li> <li>c. Apron</li> <li>d. RORO landings</li> </ul>

**ANNEX C**  
**EXAMPLE IN DETERMINING MAJOR CATEGORIES OF WORKS AND WORK**  
**EXPERIENCE ELIGIBILITY FOR CONTRACT WITH MULTIPLE CATEGORIES OF**  
**WORKS**

In the case of a contract consisting of multiple categories of works, the following hypothetical example illustrates the process in determining the Major Categories of Works of that contract and in checking the work experience eligibility of a bidder for the contract, using the rules prescribed in this Department Order (DO).

Given:

The contract to be bid consists of three categories of works with the following characteristics:

<b>Contract to be Bid</b>			
<b>Category</b>	<b>Approved Budget for the Contract (ABC)</b>	<b>% of Total ABC</b>	<b>Classification</b>
FCCE	P40M	47.06%	Major
FCSPS	P42M	49.41%	Major
TEMS	P3M	3.53%	
	P85M		

In accordance with DO \_\_\_\_\_, for the contract to be bid, FCCE and FCSPS are considered the Major Categories of Works since their respective costs are more than 40% of the ABC.

Problem:

Determine if the following bidders' Single Largest Completed Contracts (SLCC's) meet the eligibility requirements for work experience for the contract to be bid.

Given:

<b>Bidder</b>	<b>Total Amount of SLCC (P)</b>	<b>Category/ies of Works under the SLCC</b>	<b>Amount of each Category of Works under the SLCC (P)</b>
<b>A</b>	<b>65M</b>	FCCE	10M
		FCSPS	15M
		BCSWOP	60M
<b>B</b>	<b>45M</b>	FHR	45M
<b>C</b>	<b>100M</b>	FCSPS	45M
		TEMS	55M
<b>D</b>	<b>30M</b>	FCCE	10M
		FCSPS	20M

Analysis:

Bidder A:

The SLCC of bidder A is similar to the contract to be bid because it contains categories of works (FCCE and FCSPS) same as the Major Categories of Works of the contract to be bid. Also, the total cost of the SLCC, which is P65M, is greater than 50% of the ABC or P42.5M. Hence, the SLCC of bidder A meets the eligibility requirements for work experience for the contract to be bid.

Bidder B:

The SLCC of bidder B is similar to the contract to be bid because its single category (FHR) is similar to both Major Categories of Works of the contract to be bid which are FCCE and FCSPS. Also, the total cost of the SLCC, which is P45M, is greater than 50% of the ABC or P42.5M. Hence, the SLCC of bidder B meets the eligibility requirements for work experience for the contract to be bid.

Bidder C

The SLCC of bidder C contains a category of work (FCSPS) which is the same as one of the Major Categories of Works (FCSPS), however it does not contain the category of work which is the same as or similar to the other Major Category of Works (FCCE). Hence, the SLCC of Bidder C is not similar to the contract to be bid. . Consequently, the SLCC of bidder C does not meet the eligibility requirements for work experience for the contract to be bid.

Bidder D:

The SLCC of bidder D is similar to the contract to be bid because it contains categories of works (FCCE and FCSPS) which are the same as the Major Categories of Works of the contract to be bid. However, the total cost of the SLCC, which is P30M, is less than 50% of the ABC or P42.5M. Hence, the SLCC of bidder D does not meet the eligibility requirements for work experience for the contract to be bid.

DEPARTMENT ORDER )

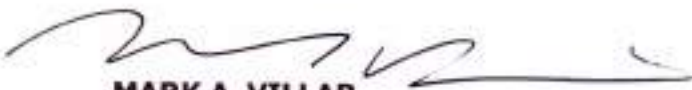

NO. **87** )  
Series 2020 )

**SUBJECT: Electronic Submission and Receipt of Bids for the Procurement of Civil Works Contracts**

Consistent with Government Procurement Policy Board (GPPB) Resolution 09-2020 entitled: "Approving Measures for the Efficient Conduct of Procurement Activities during a State of Calamity, or Implementation of Community Quarantine or Similar Restrictions" issued on May 7, 2020, authorizing submission and receipt of bids through electronic means, and in recognition of the need to ensure the safety, health, and welfare of the Department's officials and employees, and the general public without however disrupting the continuous delivery of essential public services especially during the State of Public Health Emergency brought about by the COVID-19 pandemic, the DPWH hereby adopts the herein attached Guidelines for the Electronic Submission and Receipt of Bids ("Guidelines")<sup>1</sup>.

The subject Guidelines shall cover the procurement of Civil Works Projects (Infrastructure Projects) in the Central, Regional, and District Engineering Offices of the DPWH and shall take effect on the date indicated herein, unless amended or revised, as may be necessary.

For the information and guidance of all concerned.

## **GUIDELINES ON THE ELECTRONIC SUBMISSION AND RECEIPT OF BIDS**

### **I. INTRODUCTION**

Consistent with GPPB Resolution No. 09-2020, entitled: *Approving Measures for the Efficient Conduct of Procurement Activities During a State of Calamity, or Implementation of Community Quarantine or Similar Restrictions, authorizing an online or electronic bid submission* and the 2016 Revised Implementing Rules and Regulations (RIRR) of Republic Act (R.A.) 9184, this Department developed a system for the electronic submission and receipt of bids. The said system shall allow bidders seeking to participate in the Department's procurement activities to submit their bids to the Head of the BAC Secretariat of each Procuring Entity online thru electronic mail (e-mail).

### **II. ADVERTISEMENT**

- a. A dedicated e-mail address per Procuring Entity (District/Regional/Central Office) will be assigned (refer to Appendix 1) where electronic bids shall be submitted/received. The said e-mail address must be specified in the Invitation to Bid and the corresponding Bidding Documents of the Contract which allows electronic submission of bids.
- b. Upon posting of the Invitation to Bid and Bidding Documents in the DPWH/PhilGEPS websites and a conspicuous place pursuant to Section 21 of the RIRR of R.A. 9184, the BAC Secretariat shall create a folder in the Electronic Bid Submission and Receipt SharePoint Site ("eBid Portal") for the Contract ID allowing electronic submission of bids. The folder name should be consistent with the Contract ID scheme provided under D.O. No. 33, Series of 2018.

### **III. PREPARATION AND SUBMISSION OF BIDS**

- a. Prior to the deadline of submission of bids, the bidder shall send a copy of the Official Receipt of purchase of bidding documents in Portable Document File (PDF) format with the filename "<PCAB ID>\_<CONTRACT ID>\_OfficialReceipt.pdf" to the e-mail address identified in the Invitation to Bid and Bid Data Sheet, with a properly labelled subject "Official Receipt for <Contract ID>". For example, the filename of the attached PDF containing the Official Receipt of the Contractor with PCAB ID No. 12345, who is intending to participate in the bidding of Contract ID No. 20200123 shall be "12345\_20200123\_OfficialReceipt.pdf". Further, the e-mail subject would be "Official Receipt for 20200123". Only bidders with system accepted proof of payment shall be allowed to submit their electronic bids, which shall not be beyond the deadline specified for the submission of bids. The Head of the BAC Secretariat shall be responsible for the confidentiality of the submitted documents and integrity of the submission process.

- b. An auto-reply e-mail shall be sent to the bidder after successfully sending the Official Receipt to the proper e-mail address.
- c. An auto-reply e-mail shall also be sent to acknowledge receipt of the Official Receipt in instances where an e-mail is sent:
  - i. With incorrect subject Contract ID, which means that a corresponding folder with the same Contract ID does not exist in the eBid Portal;
  - ii. Without any attachment;
  - iii. With attachment that is not in the prescribed format;
  - iv. With more than one (1) attachment; or
  - v. After the deadline.
- d. Bidders must prepare the electronic bid in a password-protected archive format and submit it to the e-mail address identified in the Invitation to Bid and Bid Data Sheet (*Section 25.1 of the RIRR of R.A. 9184 and Section 4.2.a of GPPB Resolution No. 09-2020*).
- e. The submitted electronic bid (main archive file) shall contain two (2) files: the technical and financial proposal, both in a password-protected archive format.
- f. Bidders must submit their electronic bid using the registered e-mail address in the Civil Works Application (CWA). However, for bidders not enrolled in the CWA, any e-mail can be used provided that the BAC shall verify the legitimacy of the e-mail and immediately after the opening of bids, submit all its Class "A" and Class "B" documents to the Procurement Service for CWA enrollment and reprocessing of electronic eligibility check, pursuant to Item D.3. and D.4. of D.O. 117, Series of 2017.
- g. All files in the technical and financial proposal must be in a PDF format.
- h. Due to restrictions in the allowable file size (in Megabytes (MB)) of attachments by e-mail service providers (e.g. Gmail, Yahoo Mail, Microsoft Outlook), the total file size of the electronic bid and other attachments shall likewise be subject to the corresponding size limitation of the e-mail service provider used by the bidder. If the total file size is greater than the limit of the e-mail service provider, the archive must be split and e-mailed separately, using the same format provided in Item III.i. and III.m. hereof.
- i. The e-mail's subject for submitting an electronic bid shall be labelled as "Bid Submission for <Contract ID>". For example, the e-mail subject for electronic bid submission for Contract ID No. 20Z00123 would be "Bid Submission for 20Z00123". If the archive is split into two (2) and e-mailed separately, the e-mail subjects should be "Bid Submission 1/2 for 20Z00123" and "Bid Submission 2/2 for 20Z00123".

- j. Bid modification is allowed only before the deadline of submission and receipt of bids. In which case, the bidder shall send thru e-mail the revised bid, equally secured, properly identified, and labelled with the subject "Bid Modification X for <Contract ID>". Where "X" represents the number of bid modification submitted. For example, the e-mail subject for the first bid modification for Contract ID No. 20Z00123 would be "Bid Modification 1 for 20Z00123".
- k. In case of non-participation, the Bidder shall send a letter of non-participation before the deadline of submission and receipt of bids via e-mail with a properly labelled subject "Non-participation for <Contract ID>" and filename "<PCAB ID>\_<CONTRACT ID>\_Non-Participation.pdf". For example, the e-mail subject for the submission of letter of non-participation of the Contractor with PCAB ID No. 12345 for Contract ID No. 20Z00123 shall be "Non-Participation for 20Z00123", and the attached PDF shall have the filename "12345\_20Z00123\_Non-Participation.pdf".
- l. In case of withdrawal of bid, the same shall be allowed only before the deadline of submission and receipt of bids. To withdraw the bid, the bidder shall send an e-mail with proper subject, "Bid Withdrawal for <Contract ID>". The letter of bid withdrawal in PDF format shall be attached in the e-mail and use the filename "<PCAB ID>\_<CONTRACT ID>\_BidWithdrawal.pdf". For example, the e-mail subject for the withdrawal of bid for Contract ID No. 20Z00123 would be "Bid Withdrawal for 20Z00123" and the attached letter of bid withdrawal of the Contractor with PCAB ID No. 12345 shall have a filename of "12345\_20Z00123\_BidWithdrawal.pdf".

m. **Electronic Bid Submission Naming Convention**

i. **Files**

All files must be in PDF format regardless if scanned or exported/published.

<PCAB ID>\_<CONTRACT ID>\_DescriptiveFilename.pdf

ii. **Folders**

Similar to the manual submission of bids, individual files must be organized in two (2) folders.

<PCAB ID>\_<CONTRACT ID>\_TECHNICAL  
<PCAB ID>\_<CONTRACT ID>\_FINANCIAL

For bid modification, individual files must be organized in two (2) folders:

<PCAB ID>\_<CONTRACT ID>\_TECHNICAL\_Modification\_X  
<PCAB ID>\_<CONTRACT ID>\_FINANCIAL\_Modification\_X  
(Where X represents the number of bid modifications)

**iii. Archive**

The folders must be archived/compressed and password-protected.

<PCAB ID>\_<CONTRACT\_ID>\_TECHNICAL.zip (or .rar/.7z)

<PCAB ID>\_<CONTRACT\_ID>\_FINANCIAL.zip (or .rar/.7z)

The Technical and Financial archive files must be archived/compressed and password-protected into one (1) file.

<PCAB ID>\_<CONTRACT\_ID>\_Bid.zip (or .rar/.7z)

For bid modification, the folders must be archived/compressed and password-protected.

<PCAB ID>\_<CONTRACT ID>\_TECHNICAL\_Modification\_X.zip (or .rar/.7z)

<PCAB ID>\_<CONTRACT ID>\_FINANCIAL\_Modification\_X.zip (or .rar/.7z)

(Where X represents the number of bid modifications)

The TECHNICAL\_Modification\_X and FINANCIAL\_Modification\_X archive files must be archived/compressed and password-protected into one (1) file.

<PCAB ID>\_<CONTRACT ID>\_Bid\_Modification\_X.zip (or .rar/.7z)

(Where X represents the number of bid modifications)

- iv. For Joint Venture (JV), the format of PCAB ID to be used by the bidder in naming their files, folders and archives shall be "JV-<PCAB ID of the Lead Member>". For example, if three (3) Contractors with PCAB ID Nos. 12345 (lead member), 67890, and 24680 entered into a JV, the PCAB ID they must use is "JV-12345".
- n. Prospective bidders, who submit their bids electronically, shall not be allowed to submit bids manually. Bid modification can be submitted electronically or manually, regardless of the manner by which the original bid was submitted. If a bidder submitted modifications both electronically and manually for a specific Contract, the submission with the latest official date and time of receipt shall prevail.
- o. In case a bidder intended to participate in a bidding and purchased Bidding Documents as JV ("original bidder") but later on decided to drop a member/s ("regrouped bidder"), or vice versa, the BAC shall be duly informed of the said change and the corresponding Official Receipt named after the regrouped bidder must be acquired and presented to the BAC prior to the submission of bid. In case the bid is submitted electronically, the regrouped bidder who initially submitted an Official Receipt named after the original bidder shall be required to resubmit an Official Receipt which reflects the name of the regrouped bidder pursuant to Item III.a. hereof, before being allowed to submit an electronic bid.

#### **IV. RECEIPT OF BIDS**

- a. An auto-reply e-mail shall be sent to the bidder after successfully sending the electronic bid to the proper e-mail address of the Procuring Entity concerned. The auto-reply e-mail shall serve as the Bid Receipt which can be saved and/or printed by the bidder (*Section 5.3 of GPPB Resolution No. 09-2020*).
- b. The time indicated in the latest auto-reply e-mail (Bid Receipt) shall be the official time of submission. Bids submitted after the deadline shall not be accepted (*Section 5.4 GPPB Resolution No. 09-2020*).
- c. An auto-reply e-mail shall also be sent to acknowledge receipt of electronic bids in the cases enumerated in Item III.c. of this Guidelines, and likewise for an e-mail regarding withdrawal of bid, non-participation, or the bidder has yet to submit proof of purchase of bidding documents (Official Receipt).
- d. The files attached in the e-mail, including those that are not in the prescribed format, shall be automatically transferred to the folder in the eBid Portal that matches the Contract ID and the bidder's PCAB ID as indicated in the e-mail subject and filename of the attached file, respectively. However, the following will not be accepted:
  - i. Submission of Bid without initially submitting the proof of purchase of bidding documents;
  - ii. Submission of Bid after the deadline; and
  - iii. Submission of proof of purchase of bidding documents after the deadline.
- e. Files that are part of an e-mail with more than one (1) attachment, invalid subject Contract ID and unrecognized transactions (e.g. Typo in the e-mail subject and filename) will be stored in the respective subfolders under the UNIDENTIFIED\_DOCUMENTS subfolder in the Procuring Entity's main folder in the eBid Portal.
- f. The system shall add a timestamp in the format "YYYYMMDD\_hhmmss" at the end of the filename of the received files, which represents the date and time when the bidder's e-mail was received.
- g. On the deadline of submission and receipt of bids, the BAC Secretariat shall officially close the Contract ID folder of the Contract under bidding in the eBid portal by renaming the project folder to "<Contract ID>\_CLOSED".

#### **V. OPENING OF BIDS**

- a. The BAC Secretariat must download the electronic bid from the eBid Portal and open it using the password provided by the bidder during the actual bid opening (*Section 4.2.b of GPPB Resolution No. 09-2020*). The password shall only be disclosed by the bidders verbally or in writing, during the actual bid opening which may be done in person, or through videoconferencing, webcasting or other similar technology available.

- b. As an additional security feature, downloading of submitted electronic bids and other attachments directly from the e-mail shall be disabled, and will be allowed only thru the eBid Portal.
  - c. The password-protected archived file (electronic bid, technical proposal and financial proposal) submitted must be opened using the password provided by the bidder in the manner referred to in Item V.a. hereof, and must be successfully opened/accessed by the BAC. Bidders shall be given a maximum of three (3) attempts or a period of fifteen (15) minutes, whichever comes first, to provide the correct password, except in unforeseen justifiable circumstances. Otherwise, the bidder shall be disqualified. The bidder may also be subjected to the sanctions under D.O. 17, Series of 2015 (3-Strike Policy), as may be warranted under the circumstances.
  - d. For a hybrid system of submission where electronic and manual bids were received for a particular Contract, electronic bids must be opened first before the manual bids. The same applies to the Technical and Financial archive files in electronic bids, which shall be opened prior to the Technical and Financial Envelopes in the manual bids. In all cases, measures under Section 30 of the RIRR of R.A. 9184 shall be observed.
  - e. If an electronic bid or file was found to be damaged and could not be extracted/opened, the bid shall be considered "Failed".
  - f. If a bidder committed typographical errors in the submission of electronic bid, and/or attached files in the wrong format (e.g. not password-protected), the bid shall be accepted, provided that the bidder or its duly authorized representative shall acknowledge such condition of the bid as submitted. The BAC shall assume no responsibility for the misplacement of the contents of the improperly sealed or marked bid, or improperly compressed or password-protected folder, or for its premature opening.
- VI.** In case of non-participation and withdrawal of bids, the BAC secretariat shall check the letters of non-participation/bid withdrawal received in the dedicated e-mail address and stored in the eBid Portal, and shall observe the provisions under Section 26.2. of the RIRR of R.A. 9184 and D.O. 17, Series of 2015 (3-Strike Policy).

## **VII. AUDIT TRAIL**

- a. The IMS shall provide the BAC Secretariat with a copy of the activity log from the e-mail address and eBid Portal, starting from the date when a bid was submitted via e-mail up to the bid opening date for a specific Contract ID.
- b. The IMS shall backup the eBid Portal including the activity logs.

CAMARINES SUR 1ST DISTRICT ENGINEERING OFFICE  
BARAS, CANAMAN, CAMARINES SUR

C.Y. 2025 PROJECT  
DETAILED ENGINEERING DESIGN PLAN FOR  
**CONSTRUCTION OF CONCRETE ROAD, ZONE 1, LA PURISIMA, LUPI, CAMARINES SUR (PHASE 1)**  
LOCATION: LUPI, CAMARINES SUR  
PHYSICAL TARGET: CW1 = 0.560 Lane Kilometer (CONSTRUCTION OF CONCRETE ROAD)

SUBMITTED:

**ENRIQUE A. DIONISIO**  
PLANNING AND DESIGN SECTION

DATE:

RECOMMENDED:

**JOSE ANGELO S. KARAGDAG**  
ASSISTANT DISTRICT ENGINEER

DATE:

APPROVED:

**RAMON ANSELMO C. CALAGOS**  
DISTRICT ENGINEER

DATE:

GENERAL NOTES:

- I. DESIGN

THE REHABILITATION/CONSTRUCTION PROJECT FOLLOWS THE EXISTING TRAVERSE AND GROUND ELEVATION.
- II. STANDARD SPECIFICATIONS

A.) ALL WORKS SHALL COMPLY WITH THE DPWH STANDARD SPECIFICATIONS FOR HIGHWAYS, BRIDGES AND AIRPORTS, 2013 EDITION VOLUME 2  
B.) SPECIAL PROVISIONS AND SUPPLEMENTAL SPECIFICATIONS PERTAINING TO THE PROJECT.
- III. DIMENSIONS

A.) UNLESS OTHERWISE SPECIFIED, ALL DIMENSIONS WHICH INCLUDES STATIONING, DISTANCE BETWEEN CONTROL POINTS AND AS SHOWN IN THE PLAN ARE IN METE, AND THE UNIT OF MEASURE AS SHOWN IN DETAILS OF STRUCTURES ARE IN MILLIMETERS.
- IV. STATIONING

A.) THE ROAD STATIONING AND ELEMENTS OF CURVES ARE RELATIVE TO THE ULTIMATE CENTERLINE OF THE ROAD.
- V. REMOVAL OF EXISTING STRUCTURES AND OBSTRUCTIONS

A.) ALL WORKS SHALL COMPLY WITH CLAUSE 39 "REQUIREMENTS AND CONDITIONS OF CONTRACT VOLUME-1 OF THE STANDARD SPECIFICATION FOR PUBLIC WORKS AND HIGHWAYS 1995.  
  
B.) PORTIONS OF EXISTING UTILITIES, SUCH AS WATER MAINS, IRRIGATION CHANNELS, TELEPHONE POSTS AND TRUNK LINE, ETC., THAT MAY CAUSE OBSTRUCTION TO THE CONSTRUCTION OF THIS PROJECT SHALL BE RELOCATED BY THE ENTITY OR OWNER CONCERNED. EXTREME PRECAUTION SHALL BE EXERCISED BY THE CONTRACTOR NOT TO DAMAGE ANY SECTION OF THE EXISTING PUBLIC UTILITIES DURING CONSTRUCTION . ANY REPAIR OF DAMAGE HEREOF SHALL BE ON THE ACCOUNT OF THE CONTRACTOR, ANY REMOVAL OF THE MISCELLANEOUS STRUCTURES THAT MAY BE REQUIRED SHALL BE SUBSIDIARY WORK PERTAINING TO OTHER CONTRACT ITEM. NO DIRECT PAYMENT SHALL BE MADE FOR THIS EXCEPT FOR SPECIFIC ITEMS EXPLICITLY IDENTIFIED FOR PAYMENT IN THE BID SCHEDULE.
- VI. ROAD CONNECTIONS AND PRIVATE ENTRANCES

A.) APPROACHES AND PRIVATE ENTRANCES SHALL BE CONSIDERED BY THE CONTRACTOR AS SHOWN ON THE PLANS OR AS DIRECTED BY THE ENGINEER IN SUCH A MANNER TO ENSURE SMOOTH CONNECTIONS AND RIDING QUALITY.  
  
B.) NO OPENING FOR DRIVEWAYS OR PRIVATE ENTRANCES SHALL BE ALLOWED EXCEPT WITH THE PRIOR APPROVAL FROM THE PROPER AUTHORITIES.
- VII. EMBANKMENT AND SLOPE PROTECTION WORKS

A.) FOUNDATION OF THE SLOPE AND EMBANKMENT PROTECTION WORKS SHALL SIT ON A FIRM AND SUITABLE FOUNDATION. SOFT SPOTS UNDER THE FOUNDATION SHALL BE REMOVED AND REPLACED WITH SUITABLE BEDDING MATERIALS OR CONCRETE CLASS "B".  
B.) SOFT SPOTS BETWEEN THE CUT FACE AND SLOPE/EMBANKMENT PROTECTION WALLS MUST BE FILLED WITH ROCKS OR SUITABLE MATERIALS, SUCH BACKFILL MATERIALS PLACED BEHIND THE WALL SHALL BE FREE DRAINING, NON EXPENSIVE AND WATER SHALL BE DRAINED BY WEEP HOLES PLACED AT SUITABLE INTERVALS AND ELEVATIONS.  
C.) THE DEPTH PENETRATION SHALL BE MEASURED FROM LEVEL OF THE ORIGINAL GROUND SURFACE AND SHALL NOT INCLUDE EXCAVATED MATERIALS.
- VIII. THE IMPLEMENTING OFFICE SHALL IDENTIFY THE LOCATIONS OF AND PROVIDE ACCESSIBILITY FACILITIES FOR PERSONS WITH DISABILITY IN ACCORDANCE WITH D.O. 37, SERIES OF 2009.

SURVEY SPECIFICATIONS:

- 1.REFERENCE BENCHMARK:
2. DATE OF SURVEY :
3. EQUIPMENT USED :
- EFIX RTK

• ALPHA AIR 10 LIDAR AND CHCNAV

CONSTRUCTION REQUIREMENT:

1. ALL CONSTRUCTION SHALL CONFORM TO:

A. CONDITIONS OF CONTRACT

B. THE SPECIAL PROVISIONS

C. THE SPECIFICATIONS OF ITEMS OF WORK FOR THIS PROJECT SHALL BE THE DPWH STANDARD SPECIFICATIONS FOR PUBLIC WORKS & HIGHWAYS 2013 EDITION, VOLUME II - HIGHWAYS BRIDGES & AIRPORTS OR SPECIAL PROVISION AS PRESENTED IN THE TENDER DOCUMENTS OF THE PROJECT.
2. SETTING OUT

A. THE SETTING OUT AND ELEVATION OF THE DIFFERENT COMPONENTS OF THE STRUCTURE SHALL BE APPROVED BY THE ENGINEER PRIOR TO THE START OF ANY CONSTRUCTION WORK.
3. EXCAVATION

A. EXCAVATION FOR STRUCTURE S SHALL BE NEAT LINES AS SHOWN IN THE PLANS AND THE SOIL UNDERNEATH STRUCTURE FOUNDATION SHALL NOT BE DISTURBED
4. REINFORCED CONCRETE

A. CONCRETE MIX AND PLACING

1. DESIGN OF CONCRETE MIX SHALL MEET THE DESIGN CONCRETE STRENGTH GIVEN UNDER ITEM 1 OF MATERIALS

2. CONCRETE SHALL BE DEPOSITED, VIBRATED AND CURED IN ACCORDANCE WITH THE SPECIFICATIONS.

3. FOR CONCRETE DEPOSITED AGAINST THE GROUND, LEAN CONCRETE WITH A MINIMUM THICKNESS OF 50MM SHALL BE LAID FIRST BEFORE INSTALLING THE REINFORCEMENT. THIS LEAN CONCRETE SHALL NOT BE CONSIDERED IN MEASURING THE STRUCTURAL DEPTH OF CONCRETE SECTION.

4. THE CONTRACTOR SHALL SUBMIT TO THE ENGINEER FOR APPROVAL PLACING SEQUENCES FOR ALL CONCRETE WORKS.

B. CONSTRUCTION JOINT

1. THE POSITION AND FORM OF ANY CONSTRUCTION JOINT SHALL AS SHOWN ON DRAWINGS OR AS AGREED WITH THE ENGINEERS.

C. FALSEWORK

1. ALL FALSEWORK SHALL BE DESIGNED BY THE CONTRACTOR SUBJECT TO THE APPROVAL BY THE ENGINEER
5. EMBANKMENT

A. PRIOR TO CONSTRUCTION OF EMBANKMENT , ALL NECESSARY CLEARING & GRUBBING IN THE AREA SHALL BE PERFORMED IN CONFORMITY WITH ITEM 100.

B. ALL UNSUITABLE MATERIALS, OTHER THAN DELIVERED SUITABLE MATERIALS, SHALL BE DISPOSED OF IN THE MANNER SPECIFIED IN THIS ITEM OR AS DIRECTED BY THE ENGINEER.

C. CONSTRUCTION OF ROADWAY EMBANKMENTS INCLUDES PREPARATION OF THE AREAS UPON WHICH SELECTED MATERIALS ARE TO BE PLACED, PLACING AND COMPACTING EMBANKMENT MATERIALS IN HOLES, PITS AND OTHER DEPRESSION WITHIN THE ROADWAY AREA.
6. ALIGNMENT AND GRADE

A. FINISHED GRADE FOR THIS PROJECT ARE SUBJECT TO CHANGE TO SUIT EXISTING FIELD CONDITION HOWEVER THAT IT IS MORE ADVANTAGEOUS AND MORE ECONOMICAL ON THE PART OF THE GOVERNMENT AND THE DESIGN STANDARD FOR HIGHWAYS PER REQUIREMENT OF AASHTO ARE PROPERLY FOLLOWED.

B. WIDENING IN CURVES IS SUBJECT TO ADJUSTMENT TO SUIT EXISTING FIELD CONDITION AND SHALL BE BACKFILLED WITH APPROVED MATERIALS.

C. PROPER ROAD CONNECTION AT THE BEGINNING AND END OF THE PROJECT SHALL BE PROVIDED TO ENSURE SMOOTH RIDING SURFACE.
7. SUB-GRADE, SUB-BASE AND BASE

A. UNSUITABLE SUB-GRADE MATERIALS SHALL BE EXCAVATED BELOW THE GROUND SURFACE TO THE REQUIRED WIDTH AND DEPTH. THE AREA EXCAVATED SHALL BE BACKFILLED WITH THE APPROVED MATERIALS.

B. NO EMBANKMENT MATERIALS SHALL BE PLACED UNTIL THE FOUNDATION IS STABLE.
8. CONCRETE AND CONCRETE PAVEMENT

A. TRAFFIC SHALL BE REQUIRED TO REDUCE SPEED WHEN PASSING THE VICINITY OF THE NEWLY LAID CONCRETE PAVEMENT UNTIL SUCH TIME THAT IT HAS OBTAINED THE FOURTEEN (14) DAYS REQUIRED CURING PERIOD.

B. N ADMIXTURES OR ADDITIVES WILL BE ALLOWED FOR ALL CONCRETE WORKS WITHOUT PRIOR APPROVAL FROM THE SECRETARY OF DPWH OR HIS DULY APPOINTED REPRESENTATIVES.

C. WHEN CONCRETING OF PAVEMENT PROGRESSES, TRAFFIC SHALL BE MADE TO PASS OUTSIDE THE EMBANKMENT PRISM IN ORDER TO MINIMIZE THE EFFECT OF VIBRATION TO THE SETTING CONCRETE.

D. THE EXISTING CONCRETE CURB AND GUTTER THAT INTERFERES IN THE CONSTRUCTION SHALL BE REMOVED.

NOTES:

IF THE ACTUAL FIELD CONDITION NECESSITATES THE REVISION OF THIS PLAN, THE DISTRICT ENGINEER, DPWH CAMRINES SUR 5 DEO, MUST BE OFFICIALLY INFORMED IN WRITING AND NO ADDITIONAL WORK WILL BE DONE WITHOUT PRIOR APPROVAL OF AUTHORITIES CONCERNED. IN CASE OF CONFLICT, DISCREPANCY BETWEEN PLANS, SCHEDULES, SECTIONS AND DETAILS, AND/OR OTHER ENGINEERING PLANS, THE CONTRACTOR SHALL PREPARE THE SHOP DRAWINGS FOR THE STRUCTURAL ENGINEER'S APPROVAL AND/OR CLARIFY ITEMS WITH THE STRUCTURAL ENGINEER PRIOR TO THE FABRICATION/CUTTING/INSTALLATION OF REBARS, FORMWORKS & INSTALLATION/FABRICATION/CONSTRUCTION OF ALL AFFECTED STRUCTURAL ELEMENTS.

SUMMARY OF QUANTITIES

ITEM NO.	DESCRIPTION	QUANTITY	UNIT
		As Submitted	
CW1 - Construction of Concrete Road			
PART A - FACILITIES FOR THE ENGINEER			
A.1.1 (6)	Provision of Combined Field Office, Laboratory and Living Quarters Building for the Engineer (Rental Basis)	3.00	Month
PART B - OTHER GENERAL REQUIREMENTS			
B.5	Project Billboard / Signboard	2.00	Each
B.7 (2)	Occupational Safety and Health Program	1.00	Lump Sum
B.8 (2)	Traffic Management	1.00	Lump Sum
B.9	Mobilization / Demobilization	1.00	Lump Sum
PART C - EARTHWORK			
102 (1)	Unsuitable Excavation	1,301.00	Cubic Meter
104 (2)a	Embankment from borrow (Common Soil)	2,071.00	Cubic Meter
PART D - SUBBASE AND BASE COURSES			
206 (1)	Polymer Stabilized Subbase/Base/Surface Course	417.00	Cubic Meter
PART E - SURFACE COURSES			
311 (1)b1	Portland Cement Concrete Pavement (Unreinforced), 0.20 m thick (14 days)	1,400.00	Square Meter
PART G - DRAINAGE AND SLOPE PROTECTION STRUCTURES			
506 (1)	Stone Masonry	361.00	Cubic Meter
PART H - MISCELLANEOUS STRUCTURES			
612 (1)	Reflectorized Thermoplastic Pavement Markings White	61.00	Square Meter
