| <b>Justification:</b> Change of the station limits due to the overlapping of the project to repair/improvement of roads (Concrete Shoulder & Concrete Reblocking), Catanduanes Circumferential Road, Viga – Bagamanoc Road with Exception under MVUC Fund. Also, the increase of the unit cost is due to the revision of plans from 6.10m width and 0.23m thk to 6.70m width and 0.28 thk carriageway. Hence, the adjustment. |  |  |   |   |

Based on our evaluation, the submitted request for modification of the said project is in order; hence, approval hereof is recommended to the Secretary.
